RECEIVED AND FILED

RESOLUTION

Sponsors: Michael J. LoCurto and Michael P. Kearns

Subject: Lack of Compliance with City Charter Article 20-31

Whereas: The City Charter imposes on its City Departments, the Citizens Planning Commission and its Elected Officials, an annual requirement to prepare and adopt a Capital Improvement Program (CIP) Spending Plan and Budget; and

Whereas: In conjunction with the annual adoption of the CIP Plan and Budget, a substantial amount of funds are obtained from Bonded Debt thereby imposing a corresponding obligation on the City to fund annual Principal and Interest payments on such debt as part of the process of borrowing money to fund and facilitate work and improvements of a capital nature; and

Whereas: It is in the best interests of the City and its taxpayers that the work and improvements identified in CIP Spending Plan and Budget are awarded and completed in a timely manner; and

Whereas: Idle bond fund proceeds cause planners and approvers to question the original need for borrowing such funds when they are not expended in a timely manner; and

Whereas: The crafters of the City Charter in an effort to bring attention to this important matter crafted Article 20-31 of the Charter which states that "On April 30 and October 31, the mayor shall submit to the council, the comptroller, and the citizens planning council a report describing the progress of the capital improvement projects, including schedules and explanations of any delays or anticipated cost overruns"; and

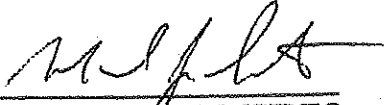

Whereas: On the occasion of this Common Council meeting dated November 16, 2010, the City Clerk and the Common Council have yet to receive the report required by City Charter Article 20-31.

Now Therefore Be It Resolved,

That this Honorable Body hereby requests of the Mayor, that he immediately file with the City Clerk for presentation to this Common Council, the report required by City Charter Article 20-31; and

Be It Finally Resolved That:

That a copy of this communication be forwarded to the Office of the Mayor of the City of Buffalo to ensure his immediate response.

FROM THE CITY PLANNING BOARD

December 14, 2010

SEQRA Notice of Determination
Non Significance

000005

Negative Declaration

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (SEQR – State Environmental Quality Review) of the Environmental Conservation Law.

Lead Agency: City of Buffalo Planning Board
Room 901, City Hall
65 Niagara Square
Buffalo New York 14202

As per the provisions of SEQR, the Lead Agency has reviewed the following action as it relates to the environment:

Action Title Farm Fresh Market Building Addition

Location: 2724 Bailey Avenue

Type of Action: Unlisted- Uncoordinated

Description: David Carr Consulting Engineer on behalf of Farm Fresh Food Market is proposing a building addition located at 2724 Bailey Avenue, Buffalo New York. The proposed project consists of a 2,155 SF addition to the existing 4,432 SF masonry store on the corner of Decker Street and Bailey Avenue. The addition will be constructed to the north side of the building on an existing paved parking lot. It will be wood frame construction (2"/6") and the front elevation will be drivit while the side and rear will be clad in hardi plank siding. The roof will be trusses with architectural asphalt shingles. Additional shrubbery will be planted along the front of the addition with the parking lot stripped with proper size parking spaces. The project will be funded privately.

As a result of this Environmental Review, the Lead Agency has determined the undertaking of this action will not have a significant adverse affect on the quality of the environment. No further environmental review of this action will be conducted prior to project implementation and a Draft Environmental Impact Statement will not be prepared.

Reasons Supporting This Determination: The facts and reasons for this decision are as follows: this project will allow Farm fresh Market to remain profitable, as well as providing a better facility/ shopping experience for their customers. The new landscaping will add to the surrounding community's aesthetics. The identified potential negative impacts appear to be primarily short-term site preparation and construction related activities, and do not appear to be significant in magnitude or effect. There are no actions, which will have a significant adverse impact on the environment.

For further information relative to this Negative Declaration, contact Mr. Martin Grunzweig, Land Use Controls Coordinator, Room 901 City Hall, Buffalo New York 14202 – 716 851-5085

Negative Declaration

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (SEQR -- State Environmental Quality Review) of the Environmental Conservation Law.

Lead Agency: City of Buffalo Planning Board
Room 901, City Hall
65 Niagara Square
Buffalo New York 14202

As per the provisions of SEQR, the Lead Agency has reviewed the following action as it relates to the environment:

Action Title Family Dollar

Location: 3364 Bailey Avenue

Type of Action: Unlisted- Uncoordinated

Description: 1238 Group LLC. is proposing the construction of a Family Dollar store on the property located at 3364 Bailey Avenue, Buffalo New York. The project consists of the construction of a 9100 sq ft retail store with 23 parking spaces including two handicap spaces. New landscaping, screening along with a new fence will be installed on the site. The new fence will also screen the dumpster located in back of the store from public view. Building materials will include flood pack lighting, architectural split faced block, a smooth faced accent block and a canopy system. The project will be privately funded in the amount of 100.000 dollars.

As a result of this Environmental Review, the Lead Agency has determined the undertaking of this action will not have a significant adverse affect on the quality of the environment. No further environmental review of this action will be conducted prior to project implementation and a Draft Environmental Impact Statement will not be prepared.

Reasons Supporting This Determination: The facts and reasons for this decision are as follows: this project will clean up a vacant lot that is not always maintained and create a retail store that will be conveniently located for community residents and visitors to the area. The identified potential negative impacts appear to be primarily short-term site preparation and construction related activities, and do not appear to be significant in magnitude or effect. There are no actions, which will have a significant adverse impact on the environment.

Negative Declaration

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (SEQR - State Environmental Quality Review) of the Environmental Conservation Law.

Lead Agency: City of Buffalo Planning Board
Room 901, City Hall
65 Niagara Square
Buffalo New York 14202

As per the provisions of SEQR, the Lead Agency has reviewed the following action as it relates to the environment:

Action Title Synergy
Location: 437 Broadway Avenue
Type of Action: Unlisted- Coordinated

Description: Silvestri Architects on behalf of the Jeremiah Partners is proposing the rehabilitation of the building located at 437 Broadway, Buffalo New York. The proposed project consists of the construction and renovation of the existing exterior façade. The project will also include the interior build out of retail and deli space on the first floor. The second and third floors will include office space. A new elevator will also be installed. The building is the former home of the original Laux Sporting Goods Store. The building is eligible for listing on the National Register of Historic Places. The proposed work was reviewed under Section 14.09 of the New York State Historic Preservation Act for Restore New York III. As a result of that review it was found that the project does meet the Secretary of Interior Standards. The project will be funded in the amount of 956,000 dollars.

As a result of this Environmental Review, the Lead Agency has determined the undertaking of this action will not have a significant adverse affect on the quality of the environment. No further environmental review of this action will be conducted prior to project implementation and a Draft Environmental Impact Statement will not be prepared.

Reasons Supporting This Determination: The facts and reasons for this decision are as follows: this project will take a neglected vacant building that is not maintained, bringing in a new retail store and deli that will provide neighborhood residents and visitors to the area a convenient place to make purchases. The identified potential negative impacts appear to be primarily short-term site preparation and construction related activities, and do not appear to be significant in magnitude or effect. There are no actions, which will have a significant adverse impact on the environment.

Negative Declaration

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (SEQR – State Environmental Quality Review) of the Environmental Conservation Law.

Lead Agency: City of Buffalo Planning Board
Room 901, City Hall
65 Niagara Square
Buffalo New York 14202

As per the provisions of SEQR, the Lead Agency has reviewed the following action as it relates to the environment:

Action Title New Apartment Building for the Disabled

Location: 257 Hopkins Street

Type of Action: Unlisted- Uncoordinated

Description: William L. Long Associates Architects on behalf of Community Services Inc. is proposing the construction of a new apartment building located at 257 Hopkins Street, Buffalo New York. The project is for eight (8) one bedroom apartments for people with disabilities. The eight apartments are 540 sf each as per Housing and Urban Development requirements. The apartments will have a living/dining area, a single bedroom, bathroom and a storage closet. There will be a central community room that will be used by the tenants for group activities. A laundry area with washers and dryers will be provided for tenants use. A central storage area and staff office will be also located in the facility. The building will be constructed of a concrete slab on grade, wood frame with pre engineered wood trusses. A total square footage is 6,655 sf. The exterior walls will consists of a three foot high brick wainscot with vinyl simulated shake shingles above the brick. The roof will be designer series asphalt shingles and all trim will be covered with aluminum and windows will be wood clad vinyl. There will be parking for eight cars screened by a small berm and evergreen trees. The remaining area will be planted with lawn, bushes and trees. A small concrete patio will be installed in the rear for use by the tenants as well as a front porch on Hopkins Street. The Department of Housing and Urban Development (HUD) has conducted their own review of this project and have approved the building of this facility. A Phase I has been completed. The project will be funded with a grant from HUD.

As a result of this Environmental Review, the Lead Agency has determined the undertaking of this action will not have a significant adverse affect on the quality of the environment. No further environmental review of this action will be conducted prior to project implementation and a Draft Environmental Impact Statement will not be prepared.

Reasons Supporting This Determination: The facts and reasons for this decision are as follows: this project will allow for a facility that will house disabled individuals, as well as provide a new building to a property that has been vacant for many years. The new landscaping will add to the surrounding community's aesthetics. The identified potential negative impacts appear to be primarily short-term site preparation and construction related activities, and do not appear to be significant in magnitude or effect. There are no actions, which will have a significant adverse impact on the environment.

Negative Declaration

00009

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (SEQR - State Environmental Quality Review) of the Environmental Conservation Law.

Lead Agency: City of Buffalo Planning Board
Room 901, City Hall
65 Niagara Square
Buffalo New York 14202

As per the provisions of SEQR, the Lead Agency has reviewed the following action as it relates to the environment:

Action Title Dollar General

Location: 1055 Genesee Street

Type of Action: Unlisted- Coordinated

Description: Creative Structures Service is proposing the construction of a Dollar General Store located at 1055 Genesee Street, Buffalo New York. The proposed project consists of the construction of a one story single structure with exterior split block. There is an existing pylon sign that will be utilized for the Dollar General logo and will not be digitally lit. The former NOCO Fuel Station has been vacant for several years. A small additional parcel adjacent to this site will be combined with the overall parcel to allow for a larger 10,640 SF retail store. The new store will be leased to Dollar General. A New York State Department of Environmental Conservation (DEC) Certificate of Completion for the Brownfield's Clean up of the city demonstrates that the site is now environmentally sound free of environmental concerns. The City of Buffalo Zoning Board of Appeals has granted a variance to allow for the construction of the proposed store, the project will be funded privately with a budget of 1,000,000 million dollars. Construction is anticipated to begin by early April 2011 and be complete by November 2011.

As a result of this Environmental Review, the Lead Agency has determined the undertaking of this action will not have a significant adverse affect on the quality of the environment. No further environmental review of this action will be conducted prior to project implementation and a Draft Environmental Impact Statement will not be prepared.

Reasons Supporting This Determination: The facts and reasons for this decision are as follows: this project will allow neighborhood residents a convenient place to shop as well as remove an area eyesore that has been neglected for many years. The identified potential negative impacts appear to be primarily short-term site preparation and construction related activities, and do not appear to be significant in magnitude or effect. There are no actions, which will have a significant adverse impact on the environment.

FROM THE OFFICE OF STRATEGIC PLANNING

00010

#1 (Rev. 1/93) One Page Communication to the Common Council

TO: THE COMMON COUNCIL DATE: December 6, 2010

FROM: DEPARTMENT: Office of Strategic Planning

DIVISION: Real Estate

SUBJECT: Report of Sale
228 Baynes, 93' S Delavan
Lot Size: 31' x 99'
Assessed Valuation: \$4,000.00
(Niagara District)

The Office of Strategic Planning, Division of Real Estate has received a request from Mr. Gregory J. Giardina, 272 Baynes Street, Buffalo, New York 14213 to purchase 228 Baynes. Mr. Giardina owns a one family house at 232 Baynes, which is adjacent to 228 Baynes. He intends to use the vacant lot for additional green space for his tenants.

The Office of Strategic Planning Land Use Planning Committee, Division of Permit and Inspection Services and the Division of Collections have no objections to the sale. There are no building code violations, taxes or other liens owed to the City of Buffalo by the purchaser.

The Division of Real Estate has investigated the sale of similar lots in the subject area. Sales range from Ninety Five Cents (\$.95) to One Dollar and Fifty Cents (\$1.50), per square foot.

Mr. Giardina has agreed and is prepared to pay Three Thousand One Hundred Dollars (\$3,100.00), One Dollar (\$1.00) per square foot for the subject property. He has also agreed to pay for the cost of the transfer tax and recording fees.

I am recommending that Your Honorable Body approve the sale of 228 Baynes to Mr. Gregory Giardina in the amount of Three Thousand One Hundred Dollars (\$3,100.00). I am further recommending that the Office of Strategic Planning prepare the necessary documents for the transfer of title and that the Mayor be authorized to execute the same.

DEPARTMENT HEAD NAME:
TITLE:

JOHN P. HANNON, JR.

Mr. Fontana moved:

That the above communication from the Office of Strategic Planning dated December 6, 2010, be received and filed; and

That the offer from Gregory J. Giardina, residing at 272 Baynes Street, in the sum of Three Thousand and One Hundred Dollars (\$3,100.00) for the purchase of 228 Baynes, be and hereby is accepted; and

That the transfer tax, recording fees and cost of legal description shall be paid by the purchaser; and

That the Office of Strategic Planning be authorized to prepare the necessary documents for the transfer of title and that the Mayor be authorized to execute the same, in accordance with the terms of sale upon which the offer was submitted.

Passed.

#1 (Rev. 1/93) One Page Communication to the Common Council

TO: THE COMMON COUNCIL DATE: December 6, 2010

FROM: DEPARTMENT: Office of Strategic Planning

DIVISION: Real Estate

00011

SUBJECT: Report of Sale
237 Herkimer, 220.50' N Auburn
Lot Size: 30' x 120'
Assessed Valuation: \$4,400.00
(Niagara District)

The Office of Strategic Planning, Division of Real Estate has received a request from Mr. Thomas J. Kelley of T.K. Oxford LLC, 230 East Treehaven Road, Buffalo, New York 14215 to purchase 237 Herkimer Street. T.K. Oxford LLC owns a one family house at 239 Herkimer, which is adjacent to 237 Herkimer. The vacant lot will be used for additional green space for their tenants.

The Office of Strategic Planning Land Use Planning Committee, Division of Permit and Inspection Services and the Division of Collections have no objections to the sale. There are no building code violations, taxes or other liens owed to the City of Buffalo by the purchaser.

The Division of Real Estate has investigated the sale of similar lots in the subject area. Sales range from Seventy Five Cents (\$.75) to One Dollar and Twenty Five Cents (\$1.25), per square foot.

Mr. Kelley of T.K. Oxford LLC has agreed and is prepared to pay Two Thousand Five Hundred Dollars (\$2,500.00), Seventy Five Cents (\$.75) per square foot for the subject property. He has also agreed to pay for the cost of the transfer tax and recording fees.

I am recommending that Your Honorable Body approve the sale of 237 Herkimer to Mr. Thomas J. Kelley of T.K. Oxford LLC in the amount of Two Thousand Five Hundred Dollars (\$2,500.00). I am further recommending that the Office of Strategic Planning prepare the necessary documents for the transfer of title and that the Mayor be authorized to execute the same.

Mr. Fontana moved:

That the above communication from the Office of Strategic Planning dated December 6, 2010, be received and filed; and

That the offer from Thomas J. Kelley of T.K. Oxford LLC, 230 East Treehaven Road, in the sum of Two Thousand and Five Hundred Dollars (\$2,500.00) for the purchase of 237 Herkimer, be and hereby is accepted; and

That the transfer tax, recording fees and cost of legal description shall be paid by the purchaser; and

That the Office of Strategic Planning be authorized to prepare the necessary documents for the transfer of title and that the Mayor be authorized to execute the same, in accordance with the terms of sale upon which the offer was submitted.

Passed.

#1 (Rev. 1/93) One Page Communication to the Common Council

TO: THE COMMON COUNCIL DATE: December 6, 2010

FROM: DEPARTMENT: Office of Strategic Planning

00012

DIVISION: Real Estate

SUBJECT: Report of Sale
200 Sweet, 307.53' N Broadway
Lot Size: 30' x 94'
Assessed Valuation: \$1,500.00
(Fillmore District)

The Office of Strategic Planning, Division of Real Estate has received a request from Mr. Saleem Yousuf of HIFZA Corporation, 924 Sycamore Street, Buffalo, New York 14212 to purchase 200 Sweet. HIFZA Corporation owns a two family house at 204 Sweet, which is adjacent to 200 Sweet. The vacant lot will be used for additional green space for their tenants.

The Office of Strategic Planning Land Use Planning Committee, Division of Permit and Inspection Services and the Division of Collections have no objections to the sale. There are no building code violations, taxes or other liens owed to the City of Buffalo by the purchaser.

The Division of Real Estate has investigated the sale of similar lots in the subject area. Sales range from Thirty Cents (\$.30) to Sixty Cents (\$.60), per square foot.

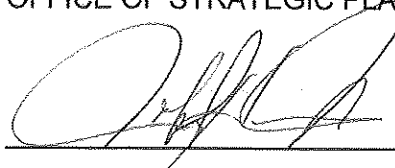

Mr. Yousuf of HIFZA Corporation has agreed and is prepared to pay One Thousand Seven Hundred Dollars (\$1,700.00), Sixty Cents (\$.60) per square foot for the subject property. He has also agreed to pay for the cost of the transfer tax and recording fees.

I am recommending that Your Honorable Body approve the sale of 200 Sweet to Mr. Saleem Yousuf of HIFZA Corporation in the amount of One Thousand Seven Hundred Dollars (\$1,700.00). I am further recommending that the Office of Strategic Planning prepare the necessary documents for the transfer of title and that the Mayor be authorized to execute the same.

#1 (Rev. 1/93) One Page Communication to the Common Council

TO: THE COMMON COUNCIL DATE: December 2, 2010

FROM: DEPARTMENT: Office of Strategic Planning

DIVISION: Real Estate

00013

SUBJECT: Rescind Sale & Forfeit Deposit
1418 & 1422 Bailey
Mr. Edward Janowski
(Fillmore District)

PRIOR COUNCIL REFERENCE: Item #8, C.C.P. 2/3/09

In the above referenced item Your Honorable Body approved the sale of 1418 and 1422 Bailey to Mr. Edward Janowski owner of Custom Sheet Metal, 303 Central Avenue, Buffalo, New York 14206.

Several notices have been mailed to Mr. Janowski to finalize the sale and close on the transfer of title. Final notice was sent on October 25, 2010 advising Mr. Janowski that failure to respond would result in rescinding the sale, forfeit the Six Hundred Dollar (\$600.00) deposit and return the property to our inventory for future sale. On November 19, 2010 Mr. Janowski informed this office that he had sold his business and was no longer interested in the purchase of the City owned lots located at 1418 and 1422 Bailey.

Therefore, I am recommending that Your Honorable Body approve rescinding the sale of 1418 and 1422 Bailey to Mr. Edward Janowski, the deposit be forfeited and the property be returned to our inventory for future sale.

SUBJECT: [: Bus Shelter
 [: Within City Right-of-Way,
 [: @ Seneca and Emslie St.'s
 [:

PRIOR COUNCIL REFERENCE: (IF ANY) [:
Ex. (Item No. xxx, C.C.P. xx/xx/xx)

Mr. Christopher J. Cronin, Traffic Data Administrator for the Niagara Frontier Transportation Authority (NFTA), has requested permission to install a bus shelter within City right-of-way.

The proposed location is:

- Seneca St., northeast corner Emslie St.

The Department of Public Works, Parks and Streets has reviewed the NFTA's request pursuant to Chapter 413-67 (Encroachment Regulations) of the City Charter and has no objection to Your Honorable Body authorizing the Commissioner of Public Works, Parks and Streets to issue a "Mere License" for said installation provided the following conditions are met:

1. That the applicant obtain any and all other City of Buffalo permits necessary for said installation.
2. That the bus shelters be installed exactly as shown on plans submitted to and approved by the Department of Public Works, Parks and Streets.
3. That the applicant be responsible for maintaining the bus shelter as long as it remains within City right-of-way.
4. That the applicant supply the City of Buffalo with a five thousand dollar construction in street bond or certificate of insurance which will indemnify and save harmless the City of Buffalo against any and all loss and damage arising out of the construction, maintenance, use and removal of said bus shelters.

TO: THE COMMON COUNCIL

DATE: December 7, 2010

FROM: DEPARTMENT: Public Works, Parks & Streets

DIVISION: Engineering

00019

SUBJECT: [: 68 South Elmwood (FBI Building);
 [: concrete bollards within City Right-of-Way
 [:
 [:

PRIOR COUNCIL REFERENCE: (IF ANY)

[:Ex. (Item No. xxx, C.C.P. xx/xx/xx)

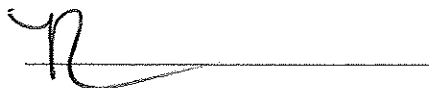

Mr. Cory L. Stewart, Project Manager for Ellicott Development Company, has requested permission to install concrete bollards within City right of way at 68 South Elmwood Avenue (FBI Building).

The bollards are round in shape, 3 ½ feet tall, with an approximately 3 foot square base. The bollards weigh approximately 3,000 lbs. and number approximately 100. They are being installed as a FBI security requirement.

The Department of Public Works, Parks and Streets has reviewed this request pursuant to Chapter 413-67 (Encroachment Regulations) of the City Charter and has no objection to Your Honorable Body authorizing the Commissioner of Public Works, Parks and Streets to issue a "Mere License" for said installation provided the following conditions are met:

1. That the applicant place the bollards in exact locations approved by the Division of Engineering.
2. That the applicant provide access to any and all existing utilities after installation.
3. That the applicant be responsible for maintenance of said bollards, including ice and snow removal, as long as they remain within City right-of-way.
4. That, in the event the Commissioner of Public Works, Parks and Street determines the encroachment must cease as a result of factors effecting the health, safety and welfare of the public, or needs of the City, said Commissioner may order the immediate removal of the encroachment as described in Chapter 413-67 (F) of the City Charter.
5. That the applicant supply the Department of Public Works, Parks and Streets with a certificate of insurance, in an amount deemed sufficient by the Corporation Counsel, which will indemnify and save harmless the City of Buffalo against any and all loss or damage arising out of the construction, maintenance, use or removal of said bollards within City right of way.

 [: MLK, Jr. Park
 [: Humboldt Basin
 [: Splash Pad Equipment
 [: Job #1025
 [: Masten District

PRIOR COUNCIL REFERENCE: (IF ANY) [: Item No. 25, CCP 06/22/10
(EX.: Item No. CCP)

TEXT:

I advertised for on May 19, 2010, and received the following formal sealed bids for the MLK Jr. Park, Humboldt Basin, Splash Pad Equipment, which were publicly opened and read on June 11, 2010.

Bill Simone & Associates, Inc. 5 Krey Blvd., Rensselaer, NY	\$249,999.00
Titan Development 8534 Seaman, Gasport, NY	\$339,950.00
Vortex 328 Avro Pree, Pointe-Claire, QC	\$497,340.00
Aqautic Recreation 6500 Carlson Dr., Eden Prairie, MN	\$634,000.00

Bill Simone & Associates, Inc. was awarded the contract on 07/06/10. On 12/03/10 the City of Buffalo's Law Department and the Department of Public Works, Parks & Streets rejected Bill Simone & Associates' bid due to non-compliance of insurance requirements (see attached letter). Therefore, we are submitting the bid from Titan Development for approval as the lowest responsible bidder.

I hereby certify that the foregoing is a true and correct statement of all bids received and that Titan Development, with a bid of \$339,950.00 + 10% increase for \$33,995.00, for a total contract amount of Three Hundred Seventy Three Thousand Nine Hundred Forty Five and 00/100 (\$373,945.00), is the lowest responsible bidder in accordance with the plans and specifications. Funding for this project is available in 32400406 445100 - Buildings.

RE: MLK Jr. Park Humbolt Basin
Splash Pad Equipment Job#1025

Dear Sirs:

The City of Buffalo Department of Public Works, Parks & Streets (the "City") has rejected the bid that H2O Fun / Bill Simone & Associates, Inc. made on the above referenced project. This rejection is based upon H2O Fun / Bill Simone & Associates, Inc not having supplied the City with appropriate and complete documentation of H2O Fun / Bill Simone & Associates, Inc including but not limited to evidence of the required insurance.

H2O Fun / Bill Simone & Associates, Inc was given multiple opportunities over the last several months to supply the City with the appropriate and complete insurance coverage documentation but has not done so.

Sincerely,

Peter J. Merlo, P.E.
City Engineer

RE: Contract with Travers Collins – Marketing Communications for
2011 Police Officer Examination

Attached is a contract with Travers Collins and Company, the vendor selected through the RFP process to furnish a marketing campaign for recruitment of applicants for the 2011 entry-level Police Officer examination.

The contract has a not to exceed amount of \$85,000.

APPROVED MOTION -

That the above communication from the Commissioner of the Department of Human Resources dated December 9, 2010 is received and filed and the Commissioner is hereby authorized to execute the attached contract with Travers Collins upon the same material terms as therein included for an amount not to exceed \$85,000 - for the marketing/communications for the 2011 Police Officer Examination.

Passed.

32A
RX

AGREEMENT

This agreement made and entered into this ____ day of _____, 2010, is by and between the **CITY OF BUFFALO** ("CITY"), a municipal corporation organized under the laws of the State of New York with its principal office at 65 Niagara Square, Buffalo, New York, 14202, through its **DEPARTMENT OF HUMAN RESOURCES** ("HUMAN RESOURCES"), a municipal subdivision, and **TRAVERS COLLINS AND COMPANY** ("CONTRACTOR"), a corporation with offices located at 726 Exchange Street, Suite 500, Buffalo, New York, 14210.

Witnesseth

WHEREAS, the CONTRACTOR is well-qualified and experienced in developing a marketing communications campaign for the recruitment of applicants for the entry-level Police Officer examination scheduled to be administered in April 2011, the date of which is determined and may be amended by HUMAN RESOURCES; and

WHEREAS, the CONTRACTOR shall furnish expert professional services to the CITY and HUMAN RESOURCES, which are temporary in character and not otherwise available to the CITY and HUMAN RESOURCES; and

NOW, THEREFORE, IT IS MUTUALLY AGREED AS FOLLOWS:

I. SERVICES TO BE PERFORMED BY THE CONTRACTOR:

1. The Contractor shall develop a communications campaign to maximize participation in the entry-level Police Officer examination.
2. The Contractor will work with HUMAN RESOURCES' representatives and professional Police Department staff in developing a marketing communications campaign for maximum recruitment of applicants for the entry-level Police Officer examination, that may include:

CPH
35
12/14/10

- Collateral material (i.e. brochures, direct mailers, posters, flyers, etc.)
 - Outdoor billboards
 - Broadcast radio advertising and cable television commercials
 - Print advertising (with focus on weekly newspapers)
 - Electronic media (including website and social networking sites)
 - Media training for Police Department personnel (who would appear on local broadcasts such as AM Buffalo and/or Public Access television)
3. The campaign developed by the Contractor will be designed to encourage participation of women and minority candidates with a concentration on African American, Hispanic, and female demographics. There must be an emphasis on recruiting in the City's minority communities. Recruitment and Ambassador Team outreach efforts will include, but not be limited to, attendance at church services, faith-based events, local businesses, community centers, and all major special events in the African-American and Hispanic communities.
4. **FINAL RECRUITING REPORT:** Report to be furnished at end of respective marketing campaign(s) that states marketing strategy, names and ranks of Ambassador Team members, recruitment events attended, and copies of all recruitment literature (including print copy of television/radio/electronic media scripts).
5. HUMAN RESOURCES has estimated an eight (8) to ten (10) week campaign **not to exceed \$85,000.00** (attached as *Appendix A*).

II. PAYMENT

Payments shall be made upon the submission of vouchers by the CONTRACTOR to the HUMAN RESOURCES as the various services are completed. Payment will be made within 60 days.

III. DURATION OF CONTRACT

The term of the contract shall commence on _____ and will end on _____ (one year). This contract may be renewed for an additional one-year period if agreed upon by both parties, in writing.

IV. CITY'S REPRESENTATIVES:

The CITY'S representative shall be the Commissioner of Human Resources.

V. APPLICABLE LAWS AND POLICY:

In the performance of this agreement, the CONTRACTOR shall abide by and conform to any and all laws of the United States, the State of New York, the City Charter, Ordinances, Laws and Regulations of the City of Buffalo, New York.

VI. RELATIONSHIPS:

The performance of the CONTRACTOR'S services hereunder shall be in the capacity of an independent contractor and not as an officer, agent or employee of the CITY or HUMAN RESOURCES. In this regard, the CONTRACTOR agrees to hold the CITY and HUMAN RESOURCES harmless from all damages to property or injury to persons arising out of the acts or omissions of the CONTRACTOR, or its officers, agents or employees. The CITY and/or HUMAN RESOURCES shall not be responsible for any costs or payments of worker's compensation, unemployment benefits or social security benefits.

VII. ASSIGNMENT:

The CONTRACTOR shall not assign this agreement to any person, firm, partnership or corporation without the written consent of the CITY, nor shall the agreement be assignable or transferable by any process or proceeding in court or by judgment execution, receivership, proceedings in insolvency or bankruptcy, either voluntary or involuntary.

VIII. TERMINATION:

It is mutually understood and agreed that the CITY shall have the right in its sole discretion to terminate the CONTRACTOR'S services. Payments for only those services completed at the time of termination will be paid to the CONTRACTOR.

IX. CHOICE OF LAW:

Any dispute arising in connection with this Agreement shall be determined in accordance with the laws of the State of New York.

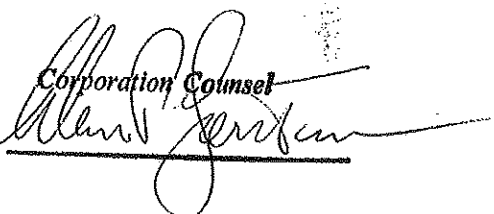

IN WITNESS WHEREOF, the parties have set their signatures this _____ Day of _____, 2010.

Notary Public

Appendix A

City of Buffalo Police Test Recruitment – Marketing Breakdown

Project Management – \$9,000

This fee includes client planning meetings including development of the creative concept for billboards and all collateral.

Also, the planning and execution of a press event announcing the test date. TCC will write the media alert, press release, key messages and speeches. The time also includes follow-up with media.

Included is the project management time needed to execute the creative materials including billboards, advertising, posters, flyer inserts and the exam booklet.

TCC will also reach out to community leaders and identify opportunities for the Ambassador team to speak about the exam to our key demographic groups.

Social Media

The fee also includes engaging major social media influences in the City of Buffalo on Facebook. We will craft messages from the City of Buffalo Police Department to be used on an already established social media networks. For example: True Bethel Baptist Church has an active fan base on Facebook and more than 1,200 likes. We will be identifying other key groups to reach out to and spread our key messages virally. We are currently developing a target list of community Facebook links.

PR

Finally, this includes ongoing media relations to keep the police test in the local news on an on-going basis and any media training necessary for anyone designated to speak to media. Local media included would be WBLK radio, The Challenger, The Criterion, La Ultima Hora, Panorama Hispano, WBEN, YNN, WIVB, WKBW, WGRZ, The Buffalo News and Buffalo Rising.

Paid Advertising - \$54,500

Paid advertising will run from Jan – Feb 2011

Billboards (\$40,000)

To maximize the campaign's reach, we recommend one (1) 14' x 48' billboard on the Kensington Expressway (33) heading into Buffalo. The creative recommended would be the version that looks like police tape and says "Police Test – Do Not Miss". This will serve as a bold but simple statement to catch people's attention as they are driving into the city.

That billboard will be supported by twenty five - thirty (25 - 30) 12' x 25' poster boards in key locations on the East and West sides of Buffalo. Neighborhoods and locations will be chosen based on the key demographic needed for recruitment. The

message for this board is "You have the right to make a difference" which is more inspirational for neighborhood outreach.

Minority Publications (\$10,500)

We will focus our print media buy on a few select papers that serve the Hispanic and African American population in Buffalo. The Hispanic papers will have an ad that has been translated into Spanish.

The Challenger - Two full page insertions and four quarter page insertions are recommended.

The Criterion - Two full page insertions and four quarter page insertions are recommended.

Bi-lingual advertising:

La Ultima Hora - Two full page insertions are recommended.

Panorama Hispano - Two full page ads are recommended.

Interactive (\$4,000)

Website Review

TCC recommends adding more content to the Buffalo Police Department site. This additional content about the Police Officer Exam and requirements to qualify will provide potential recruits with information they need to apply. Google analytics are currently in place on the BPDNY.org site which will allow the department to review where website visitors are coming from and begin to leverage those online platforms. Analytics will also allow a website to see what pages are viewed most often which allows the Buffalo Police to better target site visitors.

Search Engine Marketing

Search Engine Marketing (SEM) is a form of Internet marketing that increases the visibility of a web site in search engine listings. The simplest way to define SEM is the practice of buying search listings through sites like Google, Yahoo and Bing. The most popular version of SEM is Google's AdWords.

Paid search is the process of tying text ads to targeted keywords within a search engine. This form of online advertising has gained tremendous popularity over the past few years because it is highly effective, targeted and measurable.

Paid search is based on a CPC (cost-per-click) model meaning you only pay for users who actually click on your ad, even though you still receive impressions at no added cost. These campaigns use geo-targeting (focus on Erie County and the five surrounding counties) and demographic site selection to target audiences effectively. SEM campaigns are monitored and adjusted on a daily or weekly basis to ensure keyword and phrase accuracy.

Banner Advertising

Banner ads or text ads embedded on websites are another highly targeted form of Internet marketing. By selecting sites that have a high concentration of the target market you are able to reach your customers where they are spending time. Banner

or text ads can also be used to maximize exposure throughout the Google Content Network (a network of websites that reach 80% of global Internet users). This will allow mass placement on any web site mentioning a list of specific keywords that you select. For a banner ad to be effective, the message must be sensitive to the customer's wants and needs. The key is to find a relevant message so the customer is unlikely to ignore the placement and maximizing the impact of the message. Position can also be critical when placing a banner ad on any site. Banners placed above the fold, centered at the top of the page or skyscraper ads on the side of the web site generally have the best impact. Focusing on popular sites within the Buffalo DMA will allow you to focus banner ads to potential applicants in the 19-25 year range.

Creative Development (Production of billboards and posters) \$21,500

This includes the time to produce the creative pieces necessary for the campaign including table top display, exam booklet, poster and billboards. It also includes production/printing of the billboards and posters. Printing for the flyer inserts and exam books produced through City Hall Print Shop.

Re: ALSRHB Hospitality, LLC d/b/a The Blue Buffalo
On-premise liquor license application
454 Pearl Street, Buffalo, NY 14202

Dear Mr. Chwalinski:

Please be advised that this office represents ALSRHB Hospitality, LLC. This letter is to notify you of its intention to file an on-premises liquor license application with the New York State Liquor Authority for the premises located at 454 Pearl Street, Buffalo, NY 14202, as required by the Alcoholic Beverage Control Law, Section 64(2a).

The premises is currently being operated by a different entity as "The Blue Buffalo" at the same location. ALSRHB has been operating the restaurant portion of the premises, and will assume control of the bar once the license is secured.

Respectfully,

MAGAVERN MAGAVERN GRIMM LLP

Brian C. Bray
Sr. Legislative Assistant
Common Council
City of Buffalo
65 Niagara Square
Buffalo, New York 14202

Dear Brian:

Please thank the Common Council for inviting NYSCMA to comment on Item No.86
"Council Manager Form of Government for the City of Buffalo".

The New York State City County Management Association is the New York State
association of the International City County Management Association (ICMA) which
has close to 9,000 members.

NYSCMA strongly endorses Item No. 86. The Council Manager Form of government
is the largest form of government in the United States and was created by a group of
business executives at the turn of the century to combat the corruption and
inefficiency of the New York City government, at that time. This small business
association evolved to become the foremost, non partisan, advisor to local
governments regarding their form of government, the National Civic League.

The results of this reform movement is a profession of well educated (usually at the
Master of Public Administration – local government specialization level) and
experienced city, county, town and village managers who are experts in the
management of local government services and the implementation of city (county,
town and village) council policy. The profession also has a credentialing (professional
development) program similar to attorneys and CPA's. to insure continual
professional learning. We also are regulated by a most stringent code of ethics which
is strictly enforced.

NYSCMA will be honored to assist the Common Council in any way the Council
deems appropriate and helpful.

Respectfully submitted,

John J. Burin
President

Brian C. Bray, Sr. Legislative Assistant
Buffalo Common Council
City of Buffalo
65 Niagara Square
Buffalo, New York 14202

Re: Council-Manager Governmental Task Force

Dear Mr. Bray:

John J. Burin, President of the New York State City/County Management Association notified me of the desire of the Buffalo Common Council to form a Task Force to study the idea of a Council-Manager form of government for the City of Buffalo. I have spent a career as a City and County Manager for six municipalities in three states, and I applaud the Common Council for taking this action.

As I am proud to call Buffalo my hometown, I would like to take this opportunity to offer my assistance in serving on the Task Force. Having served as City Manager for Niagara Falls, I have had ample opportunity to work on joint projects with Buffalo City Staff, and am aware of the problems that are endemic to this area.

I have attached a copy of my resume for your perusal. Should you wish to meet at any time, please feel free to contact me. Thank you and good luck with this worthy endeavor.

Respectfully:

**REFERRED TO THE COMMITTEE
ON LEGISLATION.**

Mark R. Palesh, City Manager

CAREER SUMMARY

Whether civilian or military, my career has been steeped in public service at the senior executive level. I have served as Chief Executive Officer or Chief Administrative Officer for six communities with populations ranging from 3,500 to 92,000 residents, located in three states. Within these communities, I have been responsible for up to 1,200 full and part-time employees at a time, and budgets of over \$140,000,000. My military service has been that of an Instructor Navigator, Senior Planning Officer, Chief of Airfield Management, and Air Force Liaison Officer to air/sea rescue operations in Alaska.

My diverse experience in both engineering and management disciplines has given me experience in the following areas:

- * Labor Relations & Union Negotiations
- * Multi-media Relations
- * Budget and Financial Modeling
- * Human Resources
- * Customer Service and Relations
- * Project Management & Engineering
- * Organizational Development and Training
- * Long and Short-term Planning
- * Operations Management
- * Contract Analysis and Negotiations

I feel my thirty years of education, training, and hands-on experience has more than adequately prepared me to handle the multi-tasking roles that are necessary to serve and represent my employers, employees, and peers.

EXPERIENCE – PRIVATE SECTOR

Managing Member/CEO, The Magellan Group, LLC, Salt Lake City, Utah Aug 95 – Present

The Magellan Group is made up of consultants and affiliated investors to develop major residential and commercial properties and to serve as consultants to developers and state and local governments.

Duties and Responsibilities:

- Chief Executive Officer responsible for all contracts, client relations, business development, and employees.
- Financial record keeping and reporting.

Achievements:

- Negotiated contracts with the two largest developers in the State of Utah.
- Served as Project Manager for projects up to 900 acres. I personally designed and helped to engineer the Mount Saratoga Project, which included over 2,800 internationally themed residential units and commercial spaces.
- Served as in-house consultant to Stanley Consultants, Inc., an international engineering firm who won the federal contract for the rebuilding of Iraq, and generated over \$8 million in local contracts.

EXPERIENCE – LOCAL GOVERNMENT

City Manager, City of Auburn, New York

Feb 07 - Present

Auburn is a city with a population of 28,000 located in Cayuga County, New York

Duties and Responsibilities:

- Chief Executive Officer of a full service, municipal government with 330 employees and a budget of \$38 million dollars.
- Responsible for all City services and contracts including: police, fire, finance, water, sewer, storm water, secondary water, roads, parks & recreation, engineering, planning & zoning, economic development, human resources, and court services.
- Responsible for development and implementation of all Council-directed policies, ordinances, and resolutions.
- Responsible for all day-to-day operations of the City and its employees.
- Preparation and administration of the City's budget and long-range financial planning efforts.
- Represents the Mayor and City Council in public forums, state and local boards and organizations, and media relation.

Achievements:

- Initiated the first Comprehensive Plan and Codes review in 15 years.
- Increased the Moodys Bond Rating twice for the City by bringing the Budget out of the red and quadrupling the State's recommended reserve funds; all without layoffs or any tax increases.
- Installed geo-thermal HVAC systems in the Police and Fire Department buildings.
- Initiated and finalized construction of a Bio-digester for the City landfill, producing methane gas and converting it to 3 mgw of power for the Waste Water Treatment Plant and Technology Park for economic development. Initiated studies for wind and solar power as well.
- * Initiated contracts to develop hydropower sites for two City dams and stream locations.
- Initiated the City's Risk Management Department, Auburn Beautification Commission, Family Preparedness Day, and Founders Day Celebrations.
- Serve on the founding Board of Musical Theater Festival, Inc., which will bring musical theater to Auburn for 10 weeks each year at 5 separate venues.
- * Serve on the Cayuga Community College Foundation Board of Directors.
- * Initiated studies and received the largest State Government Efficiency Grant (\$710,000) to organize the City and five surrounding towns into the Cayuga Regional Water & Sewer Authority.
- * Selected by Forbes Magazine as the #1 City in the NE and 18th in the nation for becoming a Family Friendly place to live.
- * Negotiated with two cable television companies to provide a stipend for the City to have its own cable stations and a studio for producing our own programming; one of only a handful of cities to do so in the State.
- * Organized the City, the County, and all the towns and villages into the Owasco Lake Watershed Management Council; a PAC to manage the entire watershed.

City Administrator, City of Riverton, Utah

Jun 98 – Jul 01

Riverton is a city with a population of 30,000 located in Salt Lake County, Utah

Duties and Responsibilities:

- Chief Administrative Officer of a full service, municipal government with 100 employees and a budget of \$25 million dollars.

- 169
- Responsible for all City services and contracts including: police, fire, finance, water, sewer, storm water, secondary water, roads, parks & recreation, engineering, planning & zoning, economic development, human resources, and court services.
 - Responsible for development and implementation of all Council-directed policies, ordinances, and resolutions.
 - Responsible for all day-to-day operations of the City and its employees.
 - Preparation and administration of the City's budget and long-range financial planning efforts.
 - Represents the Mayor and City Council in public forums, state and local boards and organizations, and media relations.
 - Serves as the city's representative on the Wasatch Front Regional Planning Board and the Utah State Legislative Action Committee.

Achievements:

- Organized the City's first Redevelopment Agency and served as its first Director.
- Won a national search for the location for a new research and development campus for Intel Corporation, which covered 158 acres and housed 8,000 employees in seven multi-story buildings. I also negotiated the tax-increment financing agreement for all off-site infrastructure.
- Initiated and completed an \$18 million secondary water system for the City, which was completed on time and under budget. The Project won the Governor's Gold Medal for Innovation and Technology; an award never given to a municipal government in the history of the state.
- Negotiated, through the State Legislature and Governor's Office, the transfer of a major road to the state, which saved the City a \$30 million reconstruction cost. Previous administrations tried for seventeen years to do the same.
- Negotiated the establishment of an "Education & Technology Crescent" where the four major colleges and universities can have a physical presence near the Intel Campus.
- Established a radically new Downtown Plan, General Plan, and Economic Development Plan for the City.
- Established the Riverton Metropolitan Orchestra to bring together musical talent from all age groups.
- Authored and negotiated the establishment of the Salt Lake Unified Fire Service, a new entity combining six communities and the County into one organization, which is now the largest fire department in the State of Utah.

City & Borough Manager, City & Borough of Juneau, Alaska

Nov 92 – Apr 95

Juneau, Alaska's Capital City, is a combined city/county municipality under the Borough form of government with a population of 35,000 covering 3,400 square miles, making it the largest city in North America and the second largest city in the world. It is a cruise ship destination city that can add over 10,000 new people each day for a period of five months.

Duties and Responsibilities:

- Chief Executive Officer of a full service, municipal government with over 1,000 employees and a budget of \$140 million dollars. Responsible for all city and county services including: police, fire, finance, water & sewer, storm drain, roads, parks & recreation, engineering, planning & zoning, economic development, human resources, court services, social services, garbage, convention center, international airport, harbors (five), regional hospital, regional ski resort, and 40% of the school district budget.
- Responsible for development and implementation of all Council-directed policies, ordinances, and resolutions.
- Responsible for all day-to-day operations of the City and its employees.

- 170
- Preparation and administration of the City's budget and long-range financial planning efforts.
 - Represents the Mayor and City Council in public forums, state and local boards and organizations, and media relations.
 - Serves as the City's representative to the school board, hospital board, harbor board, airport board, ski resort board, and 23 other committees.

Achievements:

- Negotiated the unification of five separate fire departments and districts into the Juneau Unified Fire/Rescue Service.
- Established the Juneau Supervisory Training Institute, a college-accredited course for first and second-line supervisors.
- Established the City's first comprehensive safety program, land management plan, and cruise ship vendor regulations & code of conduct.
- Negotiated the first Memorandum of Understanding between the City and Goldbelt Native Corporation for the co-development of 17,000 acres of property.
- Negotiated the public/private sector contract to construct a tram and restaurant complex on the top of Mt. Roberts. Upon opening, this project was touted in Travel America Magazine as Alaska's top ten, tourist experience. The funds generated from this effort allowed us to lower taxes by 7%.
- Produced a budget, which tied a fiscal note to goals and measurable objectives for each department and division of the City. This budget won the state award for excellence.
- Was appointed to the University of Alaska Southeast, Management Institute Board of Directors (which I organized), to formulate seminars and retreats for senior executives, managers, and officers in the public and private sectors, and the U.S. Coast Guard.

City Manager & Acting Mayor, City of Niagara Falls, New York

Mar 86 – Jan 92

Niagara Falls is a tourist destination city with a population of 92,000 residents and a daytime population of well over 100,000 people. It is located in Erie County, New York.

Duties and Responsibilities:

- Chief Executive Officer of a full service, municipal government with over 1,200 full-time and part-time employees and a budget of \$140 million dollars. Responsible for all City services including: police, fire, finance, water & sewer, storm drain, roads, parks & recreation, engineering, planning & zoning, economic development, human resources, risk management, garbage, international airport, convention center, and a city-owned multi-story retail mall.
- Responsible for development and implementation of all Council-directed policies, ordinance, and resolutions.
- Responsible for all day-to-day operations of the City and its employees.
- Preparation and administration of the City's budget and long-range financial planning efforts.
- Represents the Mayor and City Council in public forums, state and local boards and organizations, and media relations. I had my own radio show and appeared quarterly on cable television.
- Serves as the City's representative on the Niagara Transportation Board, Plant Managers Association (International Chemical Plants), Niagara Falls Convention and Visitors Bureau, Downtown Business Alliance, etc.

Achievements:

- Finalization of the wastewater treatment facility litigation with EPA as part of the "Love Canal" Super Fund Project Consent Decree. Re-constructed a \$100 million chemical wastewater treatment facility that was a "one of a kind" facility for the country.
- Secured an investment grade bond rating for the City after Moodys already notified the City that it's rating was changed to below investment grade. This took a financial presentation at the office of Moodys in New York City.
- Wrote the first personnel policy and evaluation system for the City.
- Established a risk-management department, which ultimately lowered our insurance premiums by over 35%.
- Computerized all aspects of city services with "real-time" availability of financial information for decision makers and department heads.
- Formulation of a labor/management board and departmental committees to solve in-house problems prior to filing grievances and to serve as the initial step in the budget evaluation process.
- Establishment of NASCAR Grand Prix Auto Racing in downtown Niagara Falls.
- Established the Niagara Cab Drivers Association and initiated the medallion permit system, which included a dress standard and testing of all drivers.
- Initiated the "Junkbusters" Program as part of community beautification efforts.
- Established City programs for: "no notice" vehicle inspections, vehicle weight enforcement, vehicle leasing, and overtime; all with the cooperation of the nine union presidents.
- Established the Niagara Falls Supervisory Training Institute, the first college-accredited municipal course for first and second line supervisors in the country (according to ICMA).

City Administrator, City of Centerville, Utah

Sep 82 – Mar 86

Centerville is a city with a population of 10,000 located in Davis County, Utah.

Duties and Responsibilities:

- First Chief Administrative Officer of a municipal government with 50 employees and a budget of \$4.5 million dollars. Responsible for all City services including: police, finance, water & sewer, storm drain, roads, parks & recreation, planning & zoning, and personnel. Fire service was by a district fire service contract.
- Responsible for development and implementation of all Council-directed policies, ordinances, and resolutions.
- Responsible for all day-to-day operations of the City and its employees.
- Preparation and administration of the City's budget and long-range financial planning efforts.

Achievements:

- Organized a redevelopment agency and served as Executive Director.
- Reorganized the Personnel Department and wrote all policies and procedures.
- Wrote and published a new Master Plan and Zoning Manual, and re-wrote, as an engineer, the new Standards and Specifications Manual for developers.
- Served as Disaster Coordinator and Project Manager for the 1983 Flood, the worst natural disaster in the history of the State of Utah. Received recognition from Governor Matheson and FEMA for my performance.

City Administrator, City of Lindon, Utah

Jun 78 – Nov 82

Lindon is a city with a population of 3,500 located in Utah County, Utah.

Duties and Responsibilities:

- First, and youngest, Chief Administrative Officer of a municipal government with 25 employees and a budget of \$1.5 million dollars. Responsible for all City services including: police, finance, water & sewer, storm drain, roads, parks, planning & zoning, and personnel. Fire service was by a district fire service contract.
- Responsible for development and implementation of all Council-directed policies, ordinance, and resolutions.
- Responsible for all day-to-day operations of the City and its employees.
- Preparation and administration of the City's budget and long-range financial planning efforts.

Achievements:

- Organized a redevelopment agency and served as Executive Director.
- Increased the size of the City by 40% through annexation of County property, which after specific zoning and the incorporation of tax-increment financing, turned a once "bedroom" community into one with tremendous commercial and industrial potential.
- Annexed mountainside property to protect watershed areas for the benefit of the City. First city in Utah to establish zoning regulations to protect its water supply in a watershed area.
- Wrote the City's Master Plan, Personnel Policies & Procedures, and Zoning Ordinance.

EXPERIENCE – MILITARY (Retired June 1996 as a Lieutenant Colonel)

Liaison Officer to Air/Sea Rescue, Alaska	<u>Air Force Reserve, Alaska</u>	1992 – 1995
Chief of Airfield Management	<u>Air Force Reserve, New York (F-4D, C-130E Aircraft)</u>	1986 – 1992
Senior Planner		
Navigator	<u>Utah Air National Guard (KC-97L and KC-135A Aircraft)</u>	1976 – 1982

RE: New Federal Courthouse
2 Niagara Square, Buffalo, NY 14202

Dear Mr. Chwalinski:

This is a request to assign to the new federal courthouse the mailing address of 2 Niagara Square, Buffalo, NY 14202.

Presently, the new federal courthouse is located on the post office grid location for addresses with numbers 2 through 50. As such, our requested address is fully consistent with its location on the grid.

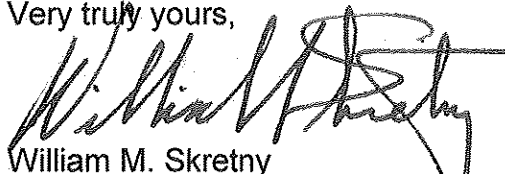

Rest assured that the requested address of 2 Niagara Square is important. The new federal courthouse will be the destination for much important and highly confidential mail. Security of its mail must be a top priority.

Best security practices require that mailing address confusion be at a minimum. In that regard, it is important that there be no identical mailing address on Niagara Street, Niagara Plaza, and/or Niagara Court. I have been advised by the United States Postal Service that there is no "2" address on Niagara Street, Niagara Plaza, or Niagara Court. It is the U.S. Postal Service's position that assigning this address exclusively to the new federal courthouse would be a best security practice.

Your attention to accomplishing this end would be very much appreciated. If you have any questions or requests that we do anything additional, please phone me at 716-332-7820.

Very truly yours,

REFERRED TO THE COMMITTEE
ON LEGISLATION.

Re: Protection From Natural Gas Extraction

Dear Mr. Chwalinski:

My office has received many calls since I filed a resolution calling for a ban on commercial extraction of natural gas within the City of Buffalo. On November 3, 2010, the Common Council unanimously went on record in support of such a ban. The Council also directed the Law Department to draft an ordinance protecting the city and its residents from natural gas extraction.

Please file the attached ordinance which has been passed by the Pittsburgh Common Council. Also attached is an updated memorandum prepared by the Community Environmental Legal Defense Fund.

Your assistance is greatly appreciated.

Sincerely,

Joseph Golombek, Jr.
North District Councilmember

Councilman,

Thank you for participating on the conference call today. I am attaching three documents: a tracked-changes to the Pittsburgh ordinance, indicating some improvements we'd like you to amend to the ordinance, and a clean-copy for your use. Also our advice regarding next steps with the ordinance.

If I can assist in any way, please call.

Sincerely,

Ben Price

City of Pittsburgh, Allegheny County, Pennsylvania
Ordinance No. _____ of 2010

Whereas, this ordinance establishes a Bill of Rights which recognizes and secures the civil and political rights of Pittsburgh residents; and

Whereas, this ordinance then bans the commercial extraction of natural gas within the city because that extraction violates the civil rights of Pittsburgh residents, and because it threatens the health, safety, and welfare of residents and neighborhoods of Pittsburgh; and

Whereas, this ordinance removes legal powers and authority from gas extraction corporations within the City, in recognition that those legal powers are illegitimate and unjust, in that they place the rights of those corporations over the rights and political authority of Pittsburgh residents; and

Whereas, this is an ordinance to protect the health, safety, and welfare of residents and neighborhoods of Pittsburgh by banning the commercial extraction of natural gas within the city; and

Whereas, this ordinance establishes a Bill of Rights for Pittsburgh residents and removes legal powers from gas extraction corporations within the City; and

Whereas, this Ordinance shall be known and may be cited as "Pittsburgh's Community Protection from Natural Gas Extraction Ordinance;" and

Whereas, this Ordinance is enacted pursuant to the inherent right of the residents of the City of Pittsburgh to govern their own community, including, without limitation, the Declaration of Independence's declaration that governments are instituted to secure the rights of people, and the Pennsylvania Constitution's recognition that "all power is inherent in the people."

Section 1—Findings and Intent

The City Council of Pittsburgh finds that the commercial extraction of natural gas in the urban environment of Pittsburgh violates the rights of residents and neighborhoods, and poses a significant threat to their health, safety, and welfare of residents and neighborhoods within the City. Moreover, widespread environmental and human health impacts have resulted from commercial gas extraction in other areas. Regulating the activity of commercial gas extraction automatically means allowing commercial gas extraction to occur within the City, thus violating the rights of residents and neighborhoods and endangering their health, safety, and welfare by allowing the deposit of toxins into the air, soil, water, environment, and the bodies of residents within our City.

Meaningful regulatory limitations and prohibitions concerning Marcellus Shale natural gas extraction, along with zoning and land use provisions, are barred because they conflict with certain legal powers claimed by resource extraction corporations. The City Council recognizes that environmental and economic sustainability cannot be achieved if the rights of municipal majorities are routinely overridden by corporate minorities claiming certain legal powers. The City Council also recognizes that sustainability cannot be achieved within a system of preemption which enables those corporations to use state governments to override local self-government, and which restricts municipalities to only that lawmaking specifically authorized by state government.

The City Council believes that the protection of residents, neighborhoods, and the natural environment constitutes the highest and best use of the police powers that this municipality possesses. The City Council also believes that local legislation that embodies the interests of the community is mandated by the doctrine of the consent of the governed, and the right to local, community self-government. Thus, the City Council hereby adopts this ordinance, which establishes a Bill of Rights for the residents and communities of the City, bans

commercial extraction of Marcellus Shale natural gas within the City of Pittsburgh because that extraction cannot be achieved without violating the rights of residents and communities or endangering their health, safety, and welfare, creates a Bill of Rights for the residents and communities of the City, and removes certain legal powers from gas extraction corporations operating within the City of Pittsburgh, and nullifies state laws, permits, and other authorizations which interfere with the rights secured by this ordinance .-

Section 2—Definitions

- (a) “Natural Gas” shall mean any gaseous substance, either combustible or noncombustible, which is produced in a natural state from the earth and which maintains a gaseous or rarified state at standard temperature or pressure conditions, and/or gaseous components or vapors occurring in or derived from petroleum or natural gas.
- (b) “Extraction” shall mean the digging or drilling of a well for the purposes of exploring for, developing or producing natural gas or other hydrocarbons.
- (c) “Corporations,” for purposes of this ordinance, shall include any corporation, limited partnership, limited liability partnership, business trust, or limited liability company organized under the laws of any state of the United States or under the laws of any country, and any other business entity that possesses State-conferred limited liability attributes for its owners, directors, officers, and/or managers.

Section 3—Statements of Law – Rights of Pittsburgh Residents and the Natural Environment

(a) Right to Water. All residents, natural communities and ecosystems in Pittsburgh possess a fundamental and inalienable right to sustainably access, use, consume, and preserve water drawn from natural water cycles that provide water necessary to sustain life within the City.

(b) Rights of Natural Communities. Natural communities and ecosystems, including, but not limited to, wetlands, streams, rivers, aquifers, and other water systems, possess inalienable and fundamental rights to exist and flourish within the City of Pittsburgh. Residents of the City shall possess legal standing to enforce those rights on behalf of those natural communities and ecosystems.

(c) Right to a Sustainable Energy Future. All residents, natural communities, and ecosystems in Pittsburgh possess a right to a sustainable energy future, comprised of the production and use of energy from renewable fuel sources.

Formatted: Font: Italic

(c) Right to Self-Government. All residents of Pittsburgh possess the fundamental and inalienable right to a form of governance where they live which recognizes that all power is inherent in the people, that all free governments are founded on the people’s authority and consent, and that corporate entities and their directors and managers shall not enjoy special privileges or powers under the law which make community majorities subordinate to them.

(d) People as Sovereign. The City of Pittsburgh shall be the governing authority responsible to, and governed by, the residents of the City. Use of the “City of Pittsburgh” municipal corporation by the sovereign people of the City to make law shall not be construed to limit or surrender the sovereign authority or immunities of the people to a municipal corporation that is subordinate to them in all respects at all times. The people at all times enjoy and retain an inalienable and indefeasible right to self-governance in the community where they reside.

(e) Rights as Self-Executing. All rights delineated and secured by this ordinance shall be self-executing and these rights shall be enforceable against corporations and governmental entities.

Formatted: Font: Italic

Section 4--Statements of Law -- Prohibitions and Corporate Legal Privileges

(a) It shall be unlawful for any corporation to engage in the extraction of natural gas within the City of Pittsburgh, with the exception of gas wells installed and operating at the time of enactment of this Ordinance.

(b) Corporations in violation of the prohibition against natural gas extraction, or seeking to engage in natural gas extraction shall not have the rights of "persons" afforded by the United States and Pennsylvania Constitutions, nor shall those corporations be afforded rights under the 1st or 5th amendments to the United States Constitution or corresponding sections of the Pennsylvania Constitution, nor shall those corporations be afforded the protections of the commerce or contracts clauses within the United States Constitution or corresponding sections of the Pennsylvania Constitution. "Corporations," for purposes of this ordinance, shall include any corporation, limited partnership, limited liability partnership, business trust, or limited liability company organized under the laws of any state of the United States or under the laws of any country, and any other business entity that possesses State-conferred limited liability attributes for its owners, directors, officers, and/or managers.

Formatted: Superscript

Formatted: Superscript

(c) Corporations engaged in the extraction of natural gas shall not possess the authority or power to enforce State or federal preemptive law against the people of the City of Pittsburgh, or to challenge or overturn municipal ordinances adopted by the City Council of Pittsburgh, when that enforcement or challenge interferes with the rights asserted by this ordinance or interferes with the authority of the municipality to protect the health, safety, and welfare of its residents.

(d) No permit, license, privilege or charter issued by any State or federal agency, Commission or Board to any person or any corporation operating under a State charter, or any director, officer, owner, or manager of a corporation operating under a State charter, which would violate the prohibitions of this Ordinance or deprive any City resident(s), natural community, or ecosystem of any rights, privileges, or immunities secured by this Ordinance, the Pennsylvania Constitution, the United States Constitution, or other laws, shall be deemed valid within the City of Pittsburgh.

Section 5--Enforcement

(a) Any person, corporation, or other entity that violates any prohibition of this Ordinance shall be guilty of a summary offense and, upon conviction thereof by a district justice, shall be sentenced to pay the maximum fine allowable under State law for that violation, and shall be imprisoned to the extent allowed by law. A separate offense shall arise for each day or portion thereof in which a violation occurs and for each section of this Ordinance found to be violated.

(b) The City of Pittsburgh may also enforce this Ordinance through an action in equity brought in the Court of Common Pleas of Allegheny County. In such an action, the City of Pittsburgh shall be entitled to recover all costs of litigation, including, without limitation, expert and attorney's fees.

(c) Any City resident shall have the authority to enforce this Ordinance through an action in equity brought in the Court of Common Pleas of Allegheny County. In such an action, the resident shall be entitled to recover all costs of litigation, including, without limitation, expert and attorney's fees.

Section 6--Effective Date and Existing DEP Permitholders

This Ordinance shall be effective five (5) days after the date of its enactment, at which point the Ordinance shall apply to any and all commercial extractions of natural gas in Pittsburgh regardless of the date of any applicable DEP permits.

Section 7—People's Right to Self-Government

The foundation for the making and adoption of this law is the people's fundamental and inalienable right to govern themselves, and thereby secure their rights to life, liberty, and pursuit of happiness. Any attempts to use other units and levels of government to preempt, amend, alter, or overturn this Ordinance, or parts of this Ordinance, shall require the City Council to hold public meetings that explore the adoption of other measures that expand local control and the ability of residents to protect their fundamental and inalienable right to self-government. Such consideration may include actions to separate the municipality from the other levels of government used to preempt, amend, alter, or overturn the provisions of this Ordinance or other levels of government used to intimidate the people of the City of Pittsburgh or their elected officials.

Section 8—Severability

The provisions of this Ordinance are severable. If any court of competent jurisdiction decides that any section, clause, sentence, part, or provision of this Ordinance is illegal, invalid, or unconstitutional, such decision shall not affect, impair, or invalidate any of the remaining sections, clauses, sentences, parts, or provisions of the Ordinance. The City Council of Pittsburgh hereby declares that in the event of such a decision, and the determination that the court's ruling is legitimate, it would have enacted this Ordinance even without the section, clause, sentence, part, or provision that the court decides is illegal, invalid, or unconstitutional.

Section 9—Repealer

All inconsistent provisions of prior Ordinances adopted by the City of Pittsburgh are hereby repealed, but only to the extent necessary to remedy the inconsistency.

ENACTED AND ORDAINED this ____ day of _____, 2010, by the City Council of Pittsburgh.

MEMORANDUM

*Prepared by the Community Environmental Legal Defense Fund
Re: Buffalo Fracking Ordinance*

Introduction: Following Pittsburgh's adoption of an ordinance which establishes a Bill of Rights for Pittsburgh residents and then implements that Bill of Rights by banning natural gas extraction within the City, other municipalities have contacted the Legal Defense Fund for assistance in adopting similar ordinances. This Memorandum has been prepared for Buffalo City Council members, and delineates steps that should be taken if the ordinance is adopted within the City, to give municipal bans on fracking the best chance of being upheld by the courts.

I. Amend the Buffalo-Introduced Ordinance with New Provisions Which Strengthen the Pittsburgh-Version of the Ordinance.

The Legal Defense Fund is constantly revising, updating, and strengthening its municipal ordinances. The Pittsburgh ordinance has already been revamped slightly, with some changes to the language in the introduction of the ordinance, as well as the addition of a "right to a sustainable energy future" within the Bill of Rights, which strengthens the foundation of the ordinance. A "track changes" version of those alterations, as well as a clean version of the ordinance, are available through the Legal Defense Fund. We urge the Buffalo City Council to adopt the strongest version of the ordinance, which is the revised version.

II. Prepare to Become the Leading Municipality Advocating that Other New York Municipalities Adopt the Ordinance or a Similar Ordinance

In addition to adopting the Pittsburgh ordinance unanimously, Pittsburgh City Councilmembers have lent their name to a letter which is being circulated to all other municipalities across the State. That letter urges them to support Pittsburgh's adoption of the ordinance, and urges them to adopt the ordinance within their municipality. Pittsburgh's actions, assuming a leadership position in explaining the ordinance to other municipalities, serves two primary purposes – the first is the recognition that strength lies in numbers (thus enabling other municipalities to move forward in tandem with Pittsburgh by adopting resolutions supporting Pittsburgh, as well as by adopting similar ordinances which qualify those municipalities to file *amicus* briefs in the event of litigation against Pittsburgh), and the second is to educate those elected officials about the impact that several legal doctrines have on limiting their authority to self-govern. It is the Legal Defense Fund's hope that not only will municipal pressure force the state legislature to act to permanently ban fracking, but that municipal pressure will peak in a generalized way to achieve greater self-government authority over a range of different issues. The Legal Defense Fund is available to provide drafting assistance for this project.

III. Prepare to Suggest Legislation to the State Legislature that Would Authorize Local Referenda on Gas Drilling, if a Ban Ordinance has a Limited Chance of Success in the Legislature.

The Legal Defense Fund has drafted language for a Pennsylvania legislative amendment that would recognize municipal referenda, so that residents of Pennsylvania municipalities could choose to ban fracking within their municipality. If a statewide ban is not possible, liberating municipalities to ban fracking at the municipal level is the next logical step. It inserts a local control angle to banning frack operations, and thus, may attract greater legislative support. A similar piece of New York State legislation would need to be drafted, and the City Council of Buffalo should take the lead in gathering state legislators to get that legislation introduced and moving. Pittsburgh City Council members will be convening those gatherings of Pennsylvania legislators later this year. The Legal Defense Fund is available to assist with the drafting of that language.

IV. Frame the Debate Around the Issue as one of the Rights of People and Communities Pitted Against the Rights of Fracking Corporations.

The municipal ordinances prepared by the Legal Defense Fund are new *civil rights* ordinances. They represent the cutting edge of municipal and community activism in that they seek to recognize new and expanded civil and environmental rights for communities, and then enforce those rights by banning activities with violate them. The Pittsburgh Ordinance is primarily known as a "ban" ordinance, but the foundation of the ordinance is a recognition that Pittsburgh residents and communities possess certain rights, and that fracking cannot be carried out without violating those rights. That stance and format places the municipality in a better position tactically and strategically to argue that it has the authority to implement the ban. Framing it as a civil rights ordinance thus transcends the limited conversation about banning certain activities – turning the question from "does the municipality have the legal authority to ban this activity" to "does the community have the authority to expand the civil and environmental rights of its own residents, and then take action to prohibit those activities which inevitably violate those rights?" It's a much stronger stance for the municipality to take, and when talking about the ordinance, being clear about its foundation and structure is essential. The Legal Defense Fund is available for conversations and discussion focused on framing the issue for the media, other elected officials in Buffalo, and other municipalities.

Whereas, this ordinance establishes a Bill of Rights which recognizes and secures the civil and political rights of Buffalo residents; and

Whereas, this ordinance then bans the commercial extraction of natural gas within the city because that extraction violates the civil rights of Buffalo residents, and because it threatens the health, safety, and welfare of residents and neighborhoods of Buffalo; and

Whereas, this ordinance removes legal powers and authority from gas extraction corporations within the City, in recognition that those legal powers are illegitimate and unjust, in that they place the rights of those corporations over the rights and political authority of Buffalo residents; and

Whereas, this Ordinance shall be known and may be cited as "Buffalo's Community Protection from Natural Gas Extraction Ordinance;" and

Whereas, this Ordinance is enacted pursuant to the inherent right of the residents of the City of Buffalo to govern their own community, including, without limitation, the Declaration of Independence's declaration that governments are instituted to secure the rights of people, and the New York Constitution's recognition that "all power is inherent in the people."

Section 1—Findings and Intent

The City Council of Buffalo finds that the commercial extraction of natural gas in the urban environment of Buffalo violates the rights of residents and neighborhoods, and poses a significant threat to their health, safety, and welfare. Moreover, widespread environmental and human health impacts have resulted from commercial gas extraction in other areas. Regulating the activity of commercial gas extraction automatically means allowing commercial gas extraction to occur within the City, thus violating the rights of residents and neighborhoods and endangering their health, safety, and welfare by allowing the deposit of toxins into the air, soil, water, environment, and the bodies of residents within our City.

Meaningful regulatory limitations and prohibitions concerning Marcellus Shale natural gas extraction, along with zoning and land use provisions, are barred because they conflict with certain legal powers claimed by resource extraction corporations. The City Council recognizes that environmental and economic sustainability cannot be achieved if the rights of municipal majorities are routinely overridden by corporate minorities claiming certain legal powers. The City Council also recognizes that sustainability cannot be achieved within a system of preemption which enables those corporations to use state governments to override local self-government, and which restricts municipalities to only that lawmaking specifically authorized by state government.

The City Council believes that the protection of residents, neighborhoods, and the natural environment constitutes the highest and best use of the police powers that this municipality possesses. The City Council also believes that local legislation that embodies the interests of the community is mandated by the doctrine of the consent of the governed, and the right to local, community self-government. Thus, the City Council hereby adopts this ordinance, which establishes a Bill of Rights for the residents and communities of the City, bans commercial extraction of Marcellus Shale natural gas within the City of Buffalo because that extraction cannot be achieved without violating the rights of residents and communities or endangering their health, safety, and welfare, , removes certain legal powers from gas extraction corporations operating within the City of Buffalo, and nullifies state laws, permits, and other authorizations which interfere with the rights secured by this ordinance .

Section 2—Definitions

189

- (a) “Natural Gas” shall mean any gaseous substance, either combustible or noncombustible, which is produced in a natural state from the earth and which maintains a gaseous or rarified state at standard temperature or pressure conditions, and/or gaseous components or vapors occurring in or derived from petroleum or natural gas.
- (b) “Extraction” shall mean the digging or drilling of a well for the purposes of exploring for, developing or producing natural gas or other hydrocarbons.
- (c) “Corporations,” for purposes of this ordinance, shall include any corporation, limited partnership, limited liability partnership, business trust, or limited liability company organized under the laws of any state of the United States or under the laws of any country, and any other business entity that possesses State-conferred limited liability attributes for its owners, directors, officers, and/or managers.

Section 3---Statements of Law – Rights of Buffalo Residents and the Natural Environment

- (a) *Right to Water.* All residents, natural communities and ecosystems in Buffalo possess a fundamental and inalienable right to sustainably access, use, consume, and preserve water drawn from natural water cycles that provide water necessary to sustain life within the City.
- (b) *Rights of Natural Communities.* Natural communities and ecosystems, including, but not limited to, wetlands, streams, rivers, aquifers, and other water systems, possess inalienable and fundamental rights to exist and flourish within the City of Buffalo. Residents of the City shall possess legal standing to enforce those rights on behalf of those natural communities and ecosystems.
- (c) *Right to a Sustainable Energy Future.* All residents, natural communities, and ecosystems in Buffalo possess a right to a sustainable energy future, comprised of the production and use of energy from renewable fuel sources.
- (c) *Right to Self-Government.* All residents of Buffalo possess the fundamental and inalienable right to a form of governance where they live which recognizes that all power is inherent in the people, that all free governments are founded on the people’s authority and consent, and that corporate entities and their directors and managers shall not enjoy special privileges or powers under the law which make community majorities subordinate to them.
- (d) *People as Sovereign.* The City of Buffalo shall be the governing authority responsible to, and governed by, the residents of the City. Use of the “City of Buffalo” municipal corporation by the sovereign people of the City to make law shall not be construed to limit or surrender the sovereign authority or immunities of the people to a municipal corporation that is subordinate to them in all respects at all times. The people at all times enjoy and retain an inalienable and infeasible right to self-governance in the community where they reside.
- (e) *Rights as Self-Executing.* All rights delineated and secured by this ordinance shall be self-executing and these rights shall be enforceable against corporations and governmental entities.

Section 4---Statements of Law – Prohibitions and Corporate Legal Privileges

- (a) It shall be unlawful for any corporation to engage in the extraction of natural gas within the City of Buffalo, with the exception of gas wells installed and operating at the time of enactment of this Ordinance.
- (b) Corporations in violation of the prohibition against natural gas extraction, or seeking to engage in

natural gas extraction shall not have the rights of "persons" afforded by the United States and New York Constitutions, nor shall those corporations be afforded rights under the 1st or 5th amendments to the United States Constitution or corresponding sections of the New York Constitution, nor shall those corporations be afforded the protections of the commerce or contracts clauses within the United States Constitution or corresponding sections of the New York Constitution. "Corporations," for purposes of this ordinance, shall include any corporation, limited partnership, limited liability partnership, business trust, or limited liability company organized under the laws of any state of the United States or under the laws of any country, and any other business entity that possesses State-conferred limited liability attributes for its owners, directors, officers, and/or managers.

(c) Corporations engaged in the extraction of natural gas shall not possess the authority or power to enforce State or federal preemptive law against the people of the City of Buffalo, or to challenge or overturn municipal ordinances adopted by the City Council of Buffalo, when that enforcement or challenge interferes with the rights asserted by this ordinance or interferes with the authority of the municipality to protect the health, safety, and welfare of its residents.

(d) No permit, license, privilege or charter issued by any State or federal agency, Commission or Board to any person or any corporation operating under a State charter, or any director, officer, owner, or manager of a corporation operating under a State charter, which would violate the prohibitions of this Ordinance or deprive any City resident(s), natural community, or ecosystem of any rights, privileges, or immunities secured by this Ordinance, the New York Constitution, the United States Constitution, or other laws, shall be deemed valid within the City of Buffalo.

Section 5—Enforcement

(a) Any person, corporation, or other entity that violates any prohibition of this Ordinance shall be guilty of a summary offense and, upon conviction thereof by a district justice, shall be sentenced to pay the maximum fine allowable under State law for that violation, and shall be imprisoned to the extent allowed by law. A separate offense shall arise for each day or portion thereof in which a violation occurs and for each section of this Ordinance found to be violated.

(b) The City of Buffalo may also enforce this Ordinance through an action in equity brought in the Court of Common Pleas of Allegheny County. In such an action, the City of Buffalo shall be entitled to recover all costs of litigation, including, without limitation, expert and attorney's fees.

(c) Any City resident shall have the authority to enforce this Ordinance through an action in equity brought in the Court of Common Pleas of Allegheny County. In such an action, the resident shall be entitled to recover all costs of litigation, including, without limitation, expert and attorney's fees.

Section 6—Effective Date and Existing DEP Permitholders

This Ordinance shall be effective five (5) days after the date of its enactment, at which point the Ordinance shall apply to any and all commercial extractions of natural gas in Buffalo regardless of the date of any applicable DEP permits.

Section 7—People's Right to Self-Government

The foundation for the making and adoption of this law is the people's fundamental and inalienable right to govern themselves, and thereby secure their rights to life, liberty, and pursuit of happiness. Any attempts to use other units and levels of government to preempt, amend, alter, or overturn this Ordinance, or parts of this Ordinance, shall require the City Council to hold public meetings that explore the adoption of other measures that expand local control and the ability of residents to protect their fundamental and inalienable right to self-

186
government. Such consideration may include actions to separate the municipality from the other levels of government used to preempt, amend, alter, or overturn the provisions of this Ordinance or other levels of government used to intimidate the people of the City of Buffalo or their elected officials.

Section 8—Severability

The provisions of this Ordinance are severable. If any court of competent jurisdiction decides that any section, clause, sentence, part, or provision of this Ordinance is illegal, invalid, or unconstitutional, such decision shall not affect, impair, or invalidate any of the remaining sections, clauses, sentences, parts, or provisions of the Ordinance. The City Council of Buffalo hereby declares that in the event of such a decision, and the determination that the court's ruling is legitimate, it would have enacted this Ordinance even without the section, clause, sentence, part, or provision that the court decides is illegal, invalid, or unconstitutional.

Section 9—Repealer

All inconsistent provisions of prior Ordinances adopted by the City of Buffalo are hereby repealed, but only to the extent necessary to remedy the inconsistency.

ENACTED AND ORDAINED this ____ day of _____, 2010, by the City Council of Buffalo.

187
Mayor Byron W Brown
City of Buffalo
Buffalo USA

00046

25 November 2010

RE: In REM 45 foreclosure list to be filed in the Erie County Clerk Office January 2011

Dear Hon Mayor Brown & Members of the council:

I have owned the property at 136 Adams – an empty lot. I find it unreasonable for the City to charge for an empty lot – Water/Sewer fees and User fees! What for?

There is no use of the land except to provide some fresh air to surrounding community. We should be given discount on the taxes – for not adding more pollution to the City's environment. I will be glad to discuss this with you at some length if you so desire.

I have a letter ~~a~~ dated 22 Sept 2010, which has caused many difficulties.

1. It does not identify the amount owing in that letter. It creates unnecessary work for your administration and unnecessary communications for your tax payer to find out how much is owed.
2. I phoned numerous times 716 851 5370 – the suggested number and found that no one answered or a message could be left.
3. So I sent a letter enquiring the same! [Letter #1]
4. So finally I got the amount in a communication dated 1 November 2010 as to how much is owed?
5. Now I send another check for the amount. [Letter #2]
6. Now I get another letter dated 12 November 2010 informing that: *Payment must be made in cash, certified check, Money Order or Bank Draft, Absolutely no personal checks or attorney's checks will be accepted -----*:
7. Now I am sending a Money Order by mail. [Letter #3]

I believe I could have dealt with the situation in one letter, if the notice of 22 September 2010 had included the amount owed and the above stated warning *in italics*.

I hope you will find this useful to:

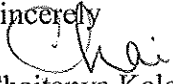

1. **Reduce unnecessary administration costs and delay.**
 2. **Reduce nuisance to the property tax payers of the City of Buffalo.**
- 43

I will appreciate in the name of fair play that empty lots be not charged water/user/sewer fees. It will restore some sense of fair play and justice to the lot owners who do not use water/sewer for sure. I am not sure what compromises User fees – but I believe most of it does not apply to the lot owners.

I hope you will take these reasonable requests into your generous considerations and act accordingly.

Thanks!

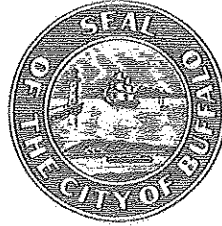

Sincerely

Chaitanya Kalevar

The Coolidge Road Association

SOUTH BUFFALO, NEW YORK

December 3, 2010

City of Buffalo
Office of the City Clerk
1308 City Hall
65 Niagara Square
Buffalo, NY 14202

To Whom It May Concern:

Shortly after midnight this morning, December 3, 2010, a City of Buffalo front-end loader (hi-lift) arrived to clear Coolidge Road of the accumulated snow. Starting at McKinley Parkway, the machine proceeded down the south lane, towards Abbott Road. As the snow was scooped up in the bucket, it was dumped on to the front lawns and sidewalks of the residences. At Abbott Road, the operator turned into the north lane, and again, scooped up the snow and dumped it on the front lawns and sidewalks of those residence.

The City of Buffalo is hereby given written notice that a great amount of damage was done during this operation, and liable for the following:

- * front lawns were damaged as the snow was dumped on them
- * driveway aprons were damaged, some with missing or broken concrete
- * a large amount of steel nose cap of the curbing was ripped out and/or left protruding outward that will cause bodily injury, or damage to vehicles

It is requested that the city take immediate steps to eliminate the protrusions of the steel along the curbing as soon as possible, and when the winter weather ends, repairs made to the damaged lawns and driveway aprons.

Respectfully

FOR THE COOLIDGE ROAD ASSOCIATION:

Subject: snow plowing

Hi Mickey,

I called 311 on Friday to complain about the snow plowing. We dug out several times, and were plowed out once by a private contractor. I was out shoveling all afternoon, the traffic was moving along just fine. About 3:45, a high lift plow came down the middle of Caz and made one lane. He left huge ruts on either side of the road, and just as traffic was picking up, everyone was getting stuck. I called to complain. A very short time later, several trucks and plows came down the street, to no avail. They reschuffed the snow, but did not get it out of the way. Now traffic was at a stand still. They made a solid wall, 3 ft high, into the street, beyond the parked cars. No one could park or get out of their driveways. I think they purposely blocked our driveway with tons of snow and left it there. We had to hire a plow to remove the snow. It was unbelievable! The worst part was, they ignored me. I stood on the 8 ft drift and waved for someone to scoop that huge mound of snow. Nope.

There were enough plows, but absolutely NO direction. It was a terrible nightmare. I am still furious.

I live on Abbott Rd. near St. Thomas, I listen to the news and heard that the genius on the second floor wants us to clear out our sidewalks, for safety issues. I have tried to keep up, but so many plows have come by that it is getting to be too much. I know his point of the safety concerns, but is there a time limit on when it needs to be done?

Subject: Garbage Tote

Mr Kearns,

I am writing in regards to my parents who live on Tifft st in South Buffalo. During last weeks storm their city garbage tote was buried in the snow. They thought it was no big deal so they just put their one garbage bag in the apron of their driveway and there it remained. The workers drove by and left it. Do you have any suggestions of what they should do so their garbage will get picked up next week, so it does not pile up on their patio? The reason I am emailing you and not the sanitation dept is because in the past when I lived in S Buffalo I found them to be a dead end and Councilman Griffin was a great help. I appreciate your time and please keep up the good work, South Buffalo will always be where I am from and I will always be proud of it.

Thank You,
Kristen [REDACTED]

Subject: Re: snow storm/plowing in SB

Dear Mr. Kearns,

I have been a resident of South Buffalo for most of my life and have to tell you that this is the worst mishandling of a snow storm that I have ever seen. Even the 7 ft of snow we had back in 2001 (and that was city wide!) was handled better than this! The leadership in the City of Buffalo greatly failed to coordinate during this storm. The driving ban was put into effect too late and subsequently not enforced. This led to abandoned cars on many side streets as well as McKinley Pkwy. and South Park Ave. Also, the closure of I-190 South and the I-90 dumped tremendous traffic into South Buffalo/Ward/Kaisertown etc. The abandoned cars coupled with gridlocked excessive traffic through South Buffalo made it impossible for plows and medical personnel to get through. How is it that the city allowed all of this traffic to occur in South Buffalo, and yet couldn't get the plows down here before last night? This is shameful and I hope that you will stand up and make our voices heard to the City of Buffalo. Please hold the Mayor and other city department leaders accountable.

Thank you in advance for your time.

Sincerely,

Kerry [REDACTED]

Subject: Snowplowing in South Buffalo...or lack thereof!

Mr. Kearns,

I'm a resident on Cushing Pl in South Buffalo. After this intense snowfall I expected to see a better showing from City Plows in our area given that out of the entire city South Buffalo was hit the hardest. I am a Police Officer in the C district and I work the overnight shift (8p-6a). I worked during the heart of the snow storm and saw at least 6 or 7 plows going up and down main and side streets in C district. My problem with this was that this particular area of the city had somewhere between 1-2 inches of snow. Multiple times I saw two plows following one another going up and down Sycamore and Broadway. I assisted a few citizens from C district into south buffalo and saw numerous lines of cars stuck in the snow and unable to get down some main and side streets. At the end of my shift I anticipated seeing some type of improvement in the area from when I was last there during work but unfortunately there was none. I don't understand how or why this happens? Who plans the routes of these plows and why on earth were they rolling two deep in an area that still had grass showing whereas Cushing and the streets surrounding had 3 feet of snow in the street and Abbott road appeared to have barely been touched? I'd appreciate it if you could get back to me on this and maybe find a way to throw some plows our way. I realize you are probably inundated with emails and phone calls. Thanks for your time.

Steve

Sorry to have to email in an early winter complaint but its Wed evening at 7pm and we have that very narrow band of snow hitting south Buffalo hard and I just got back from driving my wife to the concert at HSBC and no sign of any plowing, the band is so narrow it was only wet at HSBC but it looks like I have about 3 to 6 inches at my house. I know your thinking the plows were out there and its snowing so hard that they could not keep up but I am also an engineer and I know when a plow has been on a street and there was no sign of any plowing. This is very concerning since its just a small area of the city, what I would consider a good first test this season. I was also concerned when I saw an ambulance trying to pull into Mercy Hospital spinning its wheels trying to move from the street into the hospital. Please take this complaint seriously.

I would be happy to discuss this with you if you would like, my cell is [REDACTED]

Now I hope I can get out of my street and through the snow band at 10:30 tonight to pick up my wife from the concert.

Respectfully,

Gary [REDACTED]

Subject: Snow plowing - Communication issues with a solution offered and pictures of Weyand Ave
Attachments: IMG_2572.JPG; IMG_2573.JPG; IMG_2575.JPG; IMG_2577.JPG; IMG_2598.JPG; IMG_2601.JPG

Dear Sir and Madame,

We had a bad experience for South Buffalo out of this storm. There is plenty of blame to go around but that will not resolve what happened. We have to think proactively for the next storm so that people can be better informed of the condition of their streets. I don't want to hear excuses for what happened; I want to be part of the solution, so that what has happened on Weyand Ave this time doesn't happen again in the future. Needless to say, I am rather upset at the poor response that our side of the City got during this snow storm. I think that things could have gone much better. I recognize that the City is not to hold blame alone. It did not help the matters that the thruway authority dropped a ball and did not communicate properly to those who were forced off the thruway to the city streets. The situation is what the situation is now. But in reviewing what has been happening on my street (Weyand Ave) alone I have thought about how communications could be improved across the board. Of course my view is limited to a narrow point but one that affects how many residents in the City feel about the administration and the handling of the snow removal.

It is my understanding that all the plows are equipped with GPS. If this is the situation, I would love to see some program written for the City of Buffalo that would allow the GPS units to relay what streets they are on and currently clearing to be highlighted either on a map or an alphabetical list so that folks can see if they are good to get down their street. My thought process is that if another storm like this one hits the city again, folks can check to see if their street has been cleared before they attempt to drive down the street only to get stuck in the snow, which causes for issues like we have been experiencing on our street during this storm. Ideally, I envision having just an alphabetical list of the streets that someone could scroll down would be the most user-friendly. It would be a great tool and would improve communication between the City and the residents. I imagine if there was a database such as this that could be accessed by everyone we would see less cars stuck on the streets during big snow events and that would mean that the streets would be cleared faster and people back to work that much sooner.

I understand that this would come with a price tag, but I have to imagine that there is some money in the coffers that could be designated for something like this, or you could reach out to the colleges in the community to assist in writing a program that would help in this matter. If we think outside the box and collaborate with one another rather than point fingers at each other we will be a much better place in the long run.

Additionally, we are in the day and age of technology. It is high time that we start to embrace it and use it to the fullest extent that we can. News/Radio Stations need to be notified as early as possible if there are signs that a storm is building to an extreme as this one did. If the Thruway is closed and that traffic is being diverted to the city streets, notices should be sent to cell phones, home phones, and Block Club Leadership across the City so that information can be trickled out every way possible. Block Clubs have the ability to reach those folks who do not have access to computers. Phone trees are established and that is a great way to promote the lines of communication. There needs to be a push from the Administration in place at this time to encourage folks in the City to be proactive, not reactive. Encouraging communication on every level would be best. Finding creative ways to tackle problems is the name of the game. Please stop pointing fingers and start thinking outside the box when we have events that only God is in control of. We can be prepared as much as possible but communication is going to help save lives and keep folks off the road so that our City Services can be put to work in the best way possible.

I know that some of what I am suggesting is going to offer some logistical maneuvering and brainstorming, but if we do not look at what we have experienced and consider how we can improve communication and delivery of services we will never get beyond the mess we have now. Due to the cars that got stuck on my street because people had no idea that the road was not properly cleared yet I personally lost 2 days at work. Thankfully enough my boss is not holding this against me but I know other folks on my street that were threatened if they did not make it into work. One neighbor had to walk

2 of 2 199
from Weyand Ave to Hopkins because there was no way he was getting off our street and there are no busses that run in that direction. We really need to think about ways to help our community.

The pictures I attached are from 12/2/10. I just wanted to show you what we were dealing with. It helps to have the visual, this could be your street one day. I would love some feedback on what you think. Please feel free to contact me via email or cell phone. Thank you for your time and consideration.

Cheryl 

Love your Sister in Christ,
Cheryl

"Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain"

1 Corinthians 15:58 (NIV).

Remember, when you give a seed in faith to God, he will multiply it.

Subject: South Buffalo Snow Removal

Hello Mickey,

[REDACTED] Mary called the City's 311 number to advise them that Rutland St. had not yet seen a plow or snow removal equipment as of 11:30 AM. The woman was rude and would only say that the plows would be here shortly. It wasn't until about 2:00 PM that a high lift came by. Unfortunately he put about 4-5 feet of snow in the aprons of our driveway after we had cleaned them out. I understand this, but have some ideas to improve snow removal, that I recall from when [REDACTED]
[REDACTED]

- Plow frequently as it snows, particularly if the visibility is good;
- Frequent plowing allows traffic flow and prevents vehicles from getting stuck and blocking plows;
- Deploy teams of Parking Enforcement Officers, City and private tow trucks, to remove (mini-tow) vehicles that are stuck and blocking plows;
- Have the Parking Enforcement staff radio the Streets Department to advise that a street, that was blocked, is now clear for plowing.

This was very effective in storms we experienced under Mayor Griffin.

PS - Keep up the great work!!!!

Subject: your shovel helped us travel

Dear Councilman Kearns: On Friday evening Dec. 3rd you came to our home on Hancock Avenue and helped to shovel a path out to the street. On Saturday morning a friend was able to pick us up and we were able to do all of our errands. Without your help this would not have been possible for us being two visually impaired seniors. You went above and beyond the call of duty. Thank you again, Len & Betty -Yankee fans and Canisius alumni

Subject: [REDACTED] Naragansett

While I appreciate the severity of the snow situation in our district we need help. Last night front loaders came on the street and while I am very appreciative of that they have left huge piles of snow that go out about 4 or 5 feet from the curb and there is no where to go with this snow. there is only room for one car and if 2 cars approach there is no where for the other car to go. If we have needed fire or ambulance and the street we would have a dire situation. Please note that there was not a car in front of my house when the were here and they piled snow up on the tree so they knew there was no car. I have no where else to go with the snow as I am a single woman and only 5'4", Could the city send back the front loaders but with a large truck to take the snow away.

I know how your office must be inundated with requests for help but any assistance you could provide would be greatly appreciated.

Subject: South Buffalo Driving Ban Problems 12-2-10

Dear Mr. Kearns...

I wanted you to be aware of the driving ban problems which took place between 2 PM – 4 PM on 12-2-10. My wife and I left work early from downtown Buffalo, in an attempt to get home (Avondale Place off of Seneca Street). We thought it would be wise to avoid the 190 South, so we took Seneca Street. At Seneca and Swan, 2 police officers blocked the road. My wife showed the officers her ID, but the officers refused us entrance. My wife tried to explain to them that we were residence. Their reply was that they were there to keep everyone out.

We continued to drive to Clinton Street, and finally reached Bailey an hour later. At this intersection we needed to turn right in order to reach our home, approximately one half mile away. A female officer stationed at Clinton & Bailey refused to allow us to turn right. I attempted to show her my ID, but she just screamed at me to "Turn Left Now!" I turned left, then turned into the Tim Horton's parking lot and parked the car. I walked over to the policeman stationed adjacent to the policewoman who refused to allow us to turn. I told him that the radio stated that police were checking IDs to make certain only residence entered the Driving Ban Area; he told me his orders were to not allow anyone to enter this area. When I stated: "Do you expect me to just drive around aimlessly, I just want to go home", he yelled, "Can't you see I'm busy?"

My wife and I began walking home. Please note that this was a challenging walk for me. I have asthma, COPD with emphysema, and osteoarthritis.

It's hard to believe that the police were given the order not to allow residence to return home, but 4 out of 4 officers believed that their orders included banning residence of South Buffalo from returning home. Can you tell me if 4 out of 4 police misunderstood their orders, or if these outrageous orders were actually given by the high brass?

Re: Buffalo Niagara Medical Campus – North End Development
Draft Supplemental Environmental Impact Statement and Notice of
Completion of Draft Environmental Impact Statement

Dear Gentlemen:

Pursuant to 6 NYCRR 617.6, enclosed please find an electronic copy of the Draft Supplemental Environmental Impact Statement ("DSEIS") and the State Environmental Quality Review Act ("SEQRA") Notice of Completion of the Draft Environmental Impact Statement for the proposed Medical Office Building located at 1001 Main Street, between Goodrich and High Streets, City of Buffalo, County of Erie, State of New York. The public comment period extends from December 3, 2010 through January 7, 2011. A public hearing on the DSEIS will be held on December 21, 2010 at 8:00 am in Room 901, City Hall, Buffalo, New York.

Should you have any questions, please contact William Grillo, Principal Planner for the City of Buffalo, at (716) 851-5086.

Very truly yours,

Harter Secrest & Emery LLP

State Environmental Quality Review
Notice of Completion of Draft EIS
Notice of Hearing

Date December 3, 2010

This combined notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

A Draft Environmental Impact Statement has been completed and accepted by the City of Buffalo Planning Board as lead agency, for the proposed action described below.

Copies of the Draft EIS may be obtained at:

- a. City of Buffalo Planning Department – 901 City Hall, Buffalo, New York 14202;
- b. City of Buffalo website – <http://www.ci.buffalo.ny.us/>
- c. Erie County Central Library - 1 Lafayette Square, Buffalo, NY 14203-1887; and
- d. Buffalo Niagara Medical Campus Main Office - Innovation Center, 640 Ellicott Street, Buffalo, NY 14203

Lead Agency: City of Buffalo Planning Board, 901 City Hall, Buffalo New York 14202

Contact Person: William Grillo, Principal Planner, 901 City Hall, Buffalo, New York 14202

Name of Action:

Medical Office Building

Description of Action:

The proposed Medical Office Building ("MOB") will be a mixed-use ambulatory center, medical office and research facility. The MOB will be a maximum of 540,000 sq. ft., including 7 floors above-ground and 2 below-grade floors of parking. A "coatless" connector will physically connect the MOB to Buffalo General Hospital.

The MOB will lease medical office space to a variety of tenants, including a Kaleida Health Ambulatory Surgery Center, the University of Buffalo, physician groups relocating from other facilities and new businesses spurred by the Buffalo Niagara Medical Campus.

Location:

The proposed MOB will be located at 1001 Main Street, between Goodrich and High Streets, City of Buffalo, County of Erie, State of New York.

Comments: Comments on the Draft EIS are requested and will be accepted by the Contact Person until January 7, 2011.

Public Hearing: A hearing, presenting the public an opportunity to provide input on the proposed project will be held on December 21, 2010 at 8:00 am in room 901 of Buffalo City Hall; 65 Niagara Square, Buffalo, New York.

Peter Iwanowicz
Acting Commissioner

00050

November 30, 2010

Mr. Richard Wall
Senior Legislative Assistant
Common Council - Legislative Staff
65 Niagara Square - Room 1413
Buffalo, New York 14202-3318

Dear Mr. Wall:

Acting Commissioner Iwanowicz has asked this office to respond to your letter regarding offensive odors emanating from Engineering Composites Incorporated (ECI), located at 55 Roberts Avenue, Buffalo, New York. The Department's Division of Air staff has responded to complaints of noxious odors from residents in the vicinity of ECI. Staff inspected the facility on September 15, 2010 and issued a Notice of Violation (NOV) of 6NYCRR part 211.2 for creating an odor nuisance.

ECI produces fiberglass reinforced plastic parts and was issued a registration to operate by this office on April 11, 2007. The company has had an increase in production recently and consequently an increase in air emissions affecting the surrounding community. ECI hired a consultant to address the odors and has already made some changes to reduce air pollution impacts. This office is evaluating the changes and will work with ECI to insure that the community concerns are addressed.

Please feel free to contact Mr. Al Carlacci with the Division of Air Resources at 716-851-7130 if you require additional information.

Sincerely,

Abby M. Snyder
Regional Director

LEGISLATION

(Joseph Golombek Jr., Chairman)

00068

R. Cierniak, Petition to Rezone 127 Clayton Street & 2030 Elmwood Avenue
55 Unit Senior Apartment Facility
(Item No. 27, C.C.P., Nov. 30, 2010)

That the above item be, and the same hereby is returned to the Common Council without recommendation.

Mr. Golombek moved:

That the Common Council of the City of Buffalo does hereby ordain as follows:

That that part of the Zoning Ordinances of the City of Buffalo, Section 511-126 of Article XXV of Chapter 511 as it relates to the use map thereof be amended to show a "R3" Residential District rather than a "M2 and M1" for the premises known as 127 Clayton Street and 2030 Elmwood Avenue, and more particularly bounded and described as follows:

ALL THAT TRACT OR PARCEL OF LAND situate in the City of Buffalo, County of Erie and State of New York, being part of Lot(s) 86 & 90, Township 11, Range 8 of the Holland Land Company's survey, being more particularly described as follows;

BEGINNING at a point in the intersection of the northerly line of Ruhl Avenue (50' wide) and the easterly line of Clayton Street (50' wide), said point also being the northwest corner of subplot 1 as shown on map cover 279 and re-filed under map cover 1064; Thence easterly along the northerly line of said subplot 1, map cover 1064 a distance of 134.0 feet to the northeasterly corner of said subplot 1, map cover 1064; Thence northerly along a line parallel with the easterly line of Clayton Street a measured distance of 49.99 feet (50.4' deed) being the northwest corner of lands now or formerly conveyed to Valentine Posz as recorded in the Erie County Clerk's Office under Liber 195 of deeds at page 233 also being a point in the southerly line of lands conveyed to the Erie County Industrial Development Agency, as recorded in the Erie County Clerk's Office under Liber 10960 of deeds at page 3141, formerly conveyed to the New York Central, Lackawanna & Western Railroad; Thence easterly at a measured interior angle of $89^{\circ}08'07''$ ($89^{\circ}10'53''$ deed) along the southerly line of said lands conveyed to the Erie County Industrial Development Agency a measured distance of 940.50 feet (940.83' deed) to a point in the easterly line of Lot 90 and the westerly line of Lot 87; Thence southerly at a measured interior angle of $89^{\circ}49'39''$ ($89^{\circ}46'35''$ deed) along the easterly line of Lot 90 a measured distance of 325.93 feet (326.22' deed) to the south line of Lot 87 and the northerly line of Lot 86; Thence easterly at an exterior angle of $90^{\circ}02'27''$ along the northerly line of Lot 86 a measured distance of 346.33 feet (346.04 deed) to a point being a measured distance of 968.3 feet (967.94 deed) westerly of the westerly line of Elmwood Avenue as measured along the northerly line of Lot 86; Thence southerly at an interior angle of $90^{\circ}31'53''$ a distance of 98.92 feet to a point in the northerly line of lands now or formerly conveyed to J & J Trucking, Inc. as recorded in the Erie County Clerk's Office under Liber 11093 of deeds at page 8108; Thence westerly at an interior angle of $89^{\circ}43'42''$ along the northerly line of said lands conveyed to J & J Trucking, Inc. and the northerly line of map cover 2540 a distance of 1279.95 to a point in the easterly line of said map cover 1064; Thence northerly at an interior angle of $90^{\circ}49'07''$ along the

273

12 recommit

274

easterly line of said map cover 1064 and parallel with the easterly line of Clayton Street a distance of 49.66 feet to the southeasterly corner of subplot 11, as shown on map cover 1064; Thence westerly at an exterior angle of 90°50'00" along the southerly line of said subplot 11, map cover 1064 a distance of 134.0 feet to a point in the easterly line of Clayton Street; Thence northerly along the easterly line of Clayton Street a distance of 327.55 feet to the point of place of beginning, containing 10.978 acres more or less.

This rezoning shall be effective providing the following conditions are met:

That this rezoning shall not be effective unless and until a certified copy thereof has been filed by the petitioner in the offices of the Erie County Clerk's Office and proof of such filing is submitted to the City Clerk's Office.

That this rezoning will not be effective until such conditions as set by the City Planning Board are met.

That this Common Council finds this action to be a Type II Action under §617.4(b)(3) the S.E.Q.R. Act such that no further environmental review is required under said Act.

It is hereby certified, pursuant to Section 3-19 of the Charter that the immediate passage of the foregoing ordinance is necessary.

RESOLUTIONS

283

RESOLUTION

00073

Sponsor: Richard A. Fontana

**Subject: AMENDING CHAPTER 511, ARTICLE XVI, OF THE CITY CODE TO
CREATE A GENESEE-EAST DELAVAN SPECIAL ZONING DISTRICT**

WHEREAS, From time to time, the unique characteristics of a particular area or areas of the City require the creation of special zoning districts; and

WHEREAS, In 2005, the Common Council created two Special Zoning Districts in the Lovejoy District, the Clinton Street Special Zoning District and the Lovejoy Street Special Zoning District, because the stability and continued viability of these areas as sound residential, commercial and cultural areas of the City were threatened, thus adversely affecting the welfare and economic well-being of the City and its residents; and

WHEREAS, Pursuant to sections 511-68.4 and 511-68.5 of the City Code, which pertain to the Clinton Street and Lovejoy Street Special Zoning Districts respectively, no use shall be permitted in these areas which is a use for dance halls, nightclubs, car washes, eating and drinking establishments, take-out food places, tattoo parlors, billiard parlors and amusement arcades, except if a restricted use permit has been issued pursuant to section 511-55 of the City of Buffalo Code; and

WHEREAS, Many of the same concerns which necessitated the creation of the Clinton Street and the Lovejoy Street Special Zoning Districts currently exist on Genesee Street, between Bailey Avenue & the City's municipal boundary with the Town of Cheektowaga, and on E. Delavan Avenue, between Bailey Avenue & the City's municipal boundary with the Town of Cheektowaga; and

WHEREAS, The creation of the Clinton Street and the Lovejoy Street Special Zoning Districts has contributed to the stabilization of these areas and their continued viability as sound residential, commercial and cultural areas of the City, and the creation of a similar Special Zoning District for Genesee Street, between Bailey Avenue & the City's municipal boundary with the Town of Cheektowaga, and for E. Delavan Avenue, between Bailey Avenue & the City's municipal boundary with the Town of Cheektowaga, would likely have a similar positive effect; and

WHEREAS, If a new Genesee-East Delevan Special Zoning District were to be created, the inclusion of "general merchandise stores" and "private clubs" to the list of restricted uses, which would also include dance halls, nightclubs, car washes, eating and drinking establishments, take-out food places, tattoo parlors, billiard parlors and amusement arcades, would likely have a positive impact on the Genesee and East-Delavan areas; and

NOW, BE IT THEREFORE RESOLVED,

That the Common Council of the City of Buffalo does hereby request of the Department of Law that they immediately prepare for Common Council action an ordinance amending Chapter 511, Article XVI, of the City of Buffalo Code to create a "Genesee-East Delavan Special Zoning District," which shall be defined as the area consisting of Genesee Street, between Bailey Avenue & the City's municipal boundary with the Town of Cheektowaga, and E. Delavan

49

284

Avenue, between Bailey Avenue & the City's municipal boundary with the Town of Cheektowaga; and

NOW, BE IT FURTHER RESOLVED,

When drafting the above referenced ordinance creating a Genesee-East Delavan Special Zoning District, that no use shall be permitted in the Genesee-East Delavan Special Zoning District which is a use for dance halls, nightclubs, car washes, eating and drinking establishments, take-out food places, tattoo parlors, billiard parlors, amusement arcades, private clubs and general merchandise stores, except if a restricted use permit has been first issued for such use pursuant to section 511-55 of the City of Buffalo Code.

NOW, BE IT FINALLY RESOLVED,

That copies of this resolution shall be sent to the Department of Law, the Department of Permits and Inspections and the Office of Strategic Planning for their review and comment.

RESOLUTION

Sponsor: Richard A. Fontana

Subject: AMENDING SECTION 511-68.4 OF THE CITY CODE TO DESIGNATE "PRIVATE CLUBS" AND "GENERAL MERCHANISE STORES" AS RESTRICTED USES WITHIN THE CLINTON STREET SPECIAL ZONING DISTRICT

WHEREAS, From time to time, the unique characteristics of a particular area or areas of the City require the creation of special zoning districts; and

WHEREAS, Since 2005, Clinton Street, between Bailey Avenue and Cochrane Street, including all properties fronting on both sides of Clinton Street originating at the intersection of Clinton Street and Bailey Avenue continuing to Clinton Street and Cochrane Street, has been designated as the Clinton Street Special Zoning District; and

WHEREAS, The Clinton Street Special Zoning District was established because the stability and continued viability of the area as a sound residential, commercial and cultural area of the City is threatened, thus adversely affecting the welfare and economic well-being of the City and its residents; and

WHEREAS, Pursuant to section 511-68.4 of the City of Buffalo Code, no use shall be permitted in the Clinton Street Special Zoning District which is a use for dance halls, nightclubs, car washes, eating and drinking establishments, take-out food places, tattoo parlors, billiard parlors and amusement arcades, except if a restricted use permit has been issued pursuant to section 511-55 of the City of Buffalo Code; and

WHEREAS, Many of the same concerns which necessitated the classification of dance halls, nightclubs, car washes, eating and drinking establishments, take-out food places, tattoo parlors, billiard parlors and amusement arcades as restricted uses within the Clinton Street Special Zoning District, also apply to "general merchandise stores" and "private clubs;" and

WHEREAS, At this time, neither "general merchandise stores" nor "private clubs" are designated to be restricted uses within the Clinton Street Special Zoning District for which a special use permit is required.

NOW, BE IT THEREFORE RESOLVED,

That the Common Council of the City of Buffalo does hereby respectfully direct the Department of Law to immediately draft an ordinance amending § 511-68.4 of the City of Buffalo Code, "Clinton Street Special Zoning District," so that both "general merchandise stores" and "private clubs" are added to the list of restricted uses within the Clinton Street Special Zoning District for which a special use permit is required; and

NOW, BE IT FURTHER RESOLVED,

That the Common Council of the City of Buffalo does hereby respectfully direct the City Clerk to forward a copy of this resolution to the Department of Law, the Department of Permits and Inspections, and the Office of Strategic Planning.

Re: New Appointment to the Council-Manager Task Force

Whereas: On November 16, 2010, on the recommendation of its Legislation Committee, this Honorable Body adopted the second and third resolves of the following Resolution:

**“Council Manager form of Government for the City of Buffalo”
(Res. 105, Sept 30, 2008)**

; and

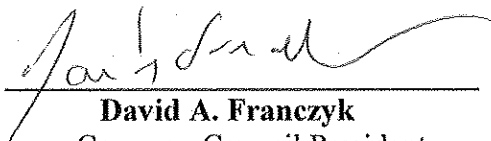

Whereas: In adopting these resolves, the Common Council recommended that the Council President develop a listing of individuals to serve on a Council-Manager Task Force, with such list to be submitted to the Common Council for the selection of 9 to 11 individuals to serve on this Task Force; and

Whereas: So far, the Common Council has appointed two people to serve on this Task Force, **Peter A. Reese** and **Sam Iraci**; and

Whereas: **Raymond Chapman**, who currently resides at **159 Claremont Avenue** in the City of Buffalo, has expressed an interest in serving on the Council-Manager Task Force.

Now, Therefore, Be It Finally Resolved:

That **Raymond Chapman**, who currently resides at **159 Claremont Avenue**, shall immediately be appointed to serve as a member of the Council-Manger Task Force.

RESOLUTION

By: David A. Franczyk and Curtis Haynes, Jr.

Re: Waiving all fees associated with the Now Generation's Inaugural Peace Walk and Rally

WHEREAS, The "Now Generation" is a group of young activists who are united in their efforts to take a stand against violence and to show youth that there are alternatives to a life of drugs, violence, and crime; and

WHEREAS, On December 11, 2010, after weeks of planning, the Now Generation will be hosting their inaugural 2.3 mile Peace Walk and Rally that will begin at the Broadway Market and end at Buffalo City Hall; and

WHEREAS, At least 200 walkers are expected to participate in the Peace Walk and it is the hope of the organizers that their enthusiasm and message of unity will persuade additional East Side residents to join along the way; and

WHEREAS, Several local area churches, from both the city and the suburbs, have joined the Now Generation in their efforts and have enlisted volunteers and peace walkers. Most of the marchers will be youth who wish to take a stand against the drugs, gang violence, and crime that plagues many inner-city neighborhoods. The organizers of the march also hope to attract those who, although currently involved with a gang, are looking to change their lifestyles.

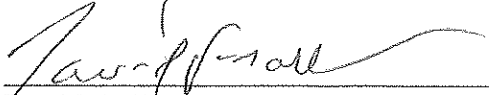

NOW, THEREFORE BE IT RESOLVED,

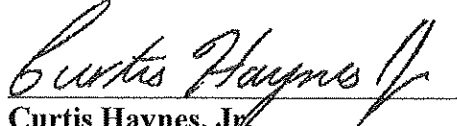

That the Common Council does hereby request that the City of Buffalo waive all fees associated with the Now Generation's Peace Walk and Rally; and

NOW, THEREFORE BE IT FURTHER RESOLVED,

That the City Clerk is directed to send certified copies of this resolution to the Commissioner of the Department of Permit & Inspections Services; the Commissioner of the Department of Public Works, Parks & Streets; the Commissioner of the Department of Admin., Finance, Policy & Urban Affairs; and the Acting Corporation Counsel.

RESOLUTION

By: Michael P. Kearns & Richard A. Fontana

RE: Licensing Plowing and Snow Removal Businesses in the City of Buffalo

WHEREAS, With Buffalo's notoriously snowy weather and dense urban fabric, many residents and businesses rely upon Plowing and Snow Removal Businesses to clear snow from their properties out of safety concerns and in order to facilitate travel; and

WHEREAS, Those who work in the Plowing and Snow Removal Businesses typically operate as private contractors that remove snow from driveways, pathways, sidewalks and parking lots for a fee; and

WHEREAS, Although the vast majority of those who work in the Plowing and Snow Removal Businesses are reliable, dependable and fair in dealing with their customers, each year Council members receive numerous complaints about unscrupulous Plowing and Snow Removal Businesses that have been paid large up-front fees to provide service for the Winters season, only to fail to complete the promised work and not be heard from again; and

WHEREAS, A strategy that is commonly employed by unscrupulous Plowing and Snow Removal Businesses to pressure residents and businesses to enter into seasonal contracts is the offering of steep discounts to customers who will pay them in cash or who make large, up-front, down payments; and

WHEREAS, Buffalo has a large population of senior citizens and disabled persons, many of whom lack the strength and mobility to shovel or otherwise remove snow from their properties on their own, who are especially likely to be targeted by unscrupulous Plowing and Snow Removal Businesses; and

WHEREAS, When a Plowing and Snow Removal Businesses fails to deliver on their promised services, it is often difficult for scammed customers to track them down and obtain the services they paid for, obtain a refund, or seek legal redress. This is true for a variety of reasons, including the fact that some unscrupulous operators cease their operations or change their business names once the winter season ends, agreements for their services are often verbal in nature and payment is based upon cash transactions, many customers are desperate to have snow removed and hire operators without obtaining references or comparative shopping, and many operators are not licensed businesses at all, but rather individuals who own snow removal equipment for personal use and are looking to pick up some extra money "on the side;" and

WHEREAS, Even if an unscrupulous Plowing and Snow Removal Businesses can be identified and tracked down, customers who have been "ripped-off" are often reluctant to come forward out of embarrassment, fear of reprisal, and/or lack of resources or sophistication to pursue legal redress; and

WHEREAS, It is the City and this Common Council's responsibility to safeguard Buffalo's businesses, property owners and citizens, particularly those such as the elderly and disabled who are especially likely to be targeted by unscrupulous Plowing and Snow Removal Businesses; and

WHEREAS, Mandating that Plowing and Snow Removal Businesses obtain a license before providing their service to customers in Buffalo is one way that the Common Council could proactively protect residents, property owners and businesses from unscrupulous Plowing and Snow Removal Businesses and ensure that such businesses are held accountable for their actions.

NOW, THEREFORE BE IT RESOLVED,

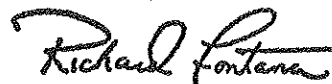

That the Common Council does hereby respectfully request that the Department of Law begin drafting an ordinance that shall require all Plowing and Snow Removal Businesses that operate in the City of Buffalo to obtain a Plowing and Snow Removal Businesses License, and furthermore requests that such ordinance be filed with all possible expedience to allow for timely review and action by this Common Council; and

BE IT FURTHER RESOLVED

That the Common Council does hereby request that the City Clerk forward a copy of this resolution to the Department of Law, the Department of Permits and Inspections, and the Department of Public Works for their review and comments, which shall be in writing and filed with the City Clerk.

Resolution

BY: Councilmember Michael LoCurto

RE: City of Buffalo Green Building Taskforce

WHEREAS: In November 2009, a resolution came before the City of Buffalo Common Council regarding the creation of a Green Building Code Taskforce; and

WHEREAS: The mission of such a taskforce would be to create standards for the construction of environmentally friendly buildings in the City of Buffalo; and

WHEREAS: Eric Walker works for PUSH Buffalo and has been involved in numerous housing projects and economic issues in Western New York; and

WHEREAS: Kevin Connors is a member of the American Institute of Architects and principal at Eco-Logic Studio, which provides architecture, engineering and planning for ecological recreational, institutional, commercial and residential development; and

WHEREAS: Dave Majewski is the president of Premium Services Inc., which specializes in green infrastructure and land use planning, and has been involved in numerous green projects in Western New York, including storm water runoff mitigation, rain gardens, and urban vacant lot reclamation; and

WHEREAS: Paul Lang is an architect with Carmina, Wood, Morris PC, a local firm which has won awards for its work in the fields of historic preservation and commercial and residential projects; and

WHEREAS: Sam Magavern is a writer and public interest lawyer, currently serves as co-director of the Partnership for the Public Good, and teaches at the University at Buffalo Law School, where his classes focus on the policy aspects of affordable housing and community economic development; and

WHEREAS: Donna Budniewski is an assistant editor of the UB Reporter Newspaper; and

WHEREAS: The experience of each of these individuals makes them ideal candidates to serve on the Green Building Code Taskforce;

NOW, THEREFORE BE IT RESOLVED:

That the City of Buffalo create the Green Building Code Taskforce, charged with adopting standards for the construction of environmentally friendly buildings; and

56

NOW, THEREFORE, BE IT FURTHER RESOLVED:

That the Common Council appoint members of this taskforce so that it will be comprised of eight members and be representative of all relevant City departments; and

NOW, THEREFORE, BE IT FURTHER RESOLVED:

That the Common Council of the City of Buffalo appoints Mr. Eric Walker, Mr. Kevin Connor, Mr. Dave Majewski, Mr. Paul Lang, Mr. Sam Magavern, and Ms. Donna Budniewski as members of the Green Building Code Taskforce; and

NOW, THEREFORE, BE IT FINALLY RESOLVED:

That the City of Buffalo's Departments of Public Works and Law be called upon to make one designee each to the taskforce.

City of Buffalo

Common Council

At the regular meeting of the Common Council of the City of Buffalo, New York held on Tuesday, November 16, 2010, the following proclamation was adopted, sponsored by Demone Smith, Masten District Common Council Member:

*Whereas: **LaRusha Hester Blakely** will be celebrating her 80th birthday, having been born on December 9, 1930 in Calhoun Falls, South Carolina; and*

*Whereas: In 1950, **LaRusha Hester Blakely** married **Charles Blakely** in Buffalo, New York and on June 9, 2010, they celebrated sixty (60) years of being married; and*

*Whereas: **LaRusha Hester Blakely** and her husband are the loving parents of two sons, grandparents to six grandchildren, and great-grandparents to four great-grandchildren; and*

*Whereas: **LaRusha Hester Blakely** is a loving housewife who enjoys various kinds of cooking, watching television, listening to music and doing needlework; and*

*Whereas: **LaRusha Hester Blakely** is strong in her faith and enjoys reading the Bible, attending Mt. Zion Church of God, and ministering to the sick; and*

*Whereas: On December 11, 2010, a celebration of the life of **LaRusha Hester Blakely** will be held by her family and friends at My Tomato Pie Restaurant, located at 3085 Sheridan Drive in Amherst, New York.*

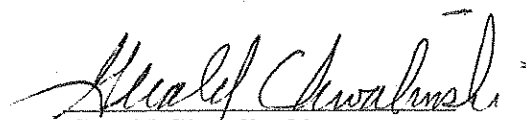

Now, Therefore, Be It Resolved:

*That the Common Council of the City of Buffalo, New York pauses in its deliberations to pay tribute to **LaRusha Hester Blakely**, a caring and community minded citizen, and wishes her a very happy 80th birthday and the Lord's continued blessing; and*

Now, Therefore, Be It Further Resolved:

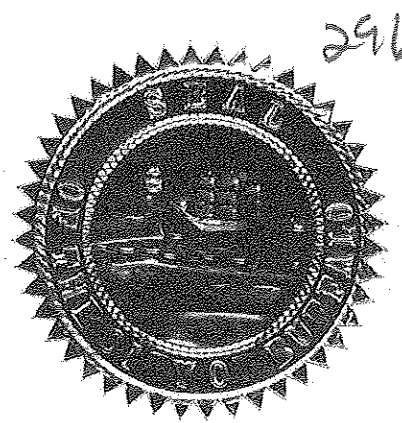

*That the Common Council of the City of Buffalo, New York hereby proclaims Thursday, December 9, 2010 to be known as "**LaRusha Hester Blakely Day**" in the City of Buffalo.*

City of Buffalo

Common Council

IN MEMORIAM

MARY PITTS WOOD

At a regular meeting of the Common Council of the City of Buffalo, NY, the following resolution was unanimously adopted, sponsored by Masten District Council Member Demone A. Smith.

- Whereas:** *Mary Pitts Wood, daughter of Fate and Lillie Bell Pitts, was born on December 31, 1925 in Cross Hill, South Carolina. The Pitts family moved to Tonawanda, New York in 1935 and later relocated to Buffalo. She attended Buffalo Public Schools and graduated from Hutchinson Central High School; and*
- Whereas:** *Mary Pitts Wood met and married Horace B. Wood and the couple remained married for well over 50 years. Their union was blessed with two children, Hollice and Denise. She is preceded in death by her husband, Horace, and son, Hollice; and*
- Whereas:** *Mary Pitts Wood was a lifetime member of the Mt. Olive Baptist Church, where she served as Financial Secretary of the Trustee Board, Choir Member, Director of Choir #1, and President of the Floral Ministry. Mary was also a member of the gospel singing groups "The Spiritualettes" and "The Silver Stars;" and*
- Whereas:** *Mary Pitts Wood began her career with Adam, Meldrum and Anderson (AM&A's) in 1954 as an Elevator Operator. She eventually became a Sales Clerk and Assistant Buyer in the luggage department. In 1970, she was promoted to the position of Buyer in the luggage department, a position she would hold until the time of her retirement; and*
- Whereas:** *In 1970, Mary Pitts Wood became one of the first recipients of the Black Achievers Award and a recipient of the Great Lakes Chapter of the American Business Women's Association's "Woman of the Year" in 1979; and*
- Whereas:** *Mary Pitts Wood leaves to cherish her memory: a devoted daughter, Denise (James) Jones; a twin sister, Martha (late Edd) Workman; brothers, Edward and Eugene (Marie) Pitts; grandchildren, Vanessa (Dean) Gray of Yeadon, PA., Hollice (Yolanda) Wood and Adrian (Sharon) Jones; seven great grandchildren; brother-in-law, Leslie (Viola) Wood; sister-in-law, Inez Cunningham, both of Lugoff, SC; God-children, Kevin Grandberry and Brian Hunter; numerous nieces, nephews, cousins; and a host of other relatives and friends.*

Now, Therefore Be It Resolved:

That the City of Buffalo, NY Common Council extends this expression of heartfelt sympathy to the family and friends of MARY PITTS WOOD.

Demone A. Smith
Masten District Council Member

**Discharge Budget Committee -
Capital Budget-2011 & Improvements
(No. 1, CCP 11/03/10)**

Mr. Fontana moved that

Whereas, the above item is currently in the Budget Committee and,
Whereas, it is no longer necessary for this item to be considered by that committee,
Now Therefore Be It Resolved, that this Common Council does hereby discharge the
Committee from further consideration of this item, and it is now before the Common
Council for its consideration.

Seconded by Mr. Rivera

ADOPTED.

TO: THE COMMON COUNCIL

Date: 10-29-2010

FROM: THE EXECUTIVE DEPARTMENT

SUBJECT: 2011 Capital Budget Recommendations &
2011-2015 Capital Improvements Program Recommendations

In accordance with §20-24 of the City Charter, attached please find my recommended 2011 City of Buffalo Capital Budget and 2011-2015 Capital Improvements Program. Based upon the City of Buffalo Comptroller's recommended debt limits, the 2011 Capital Budget consists of \$22.4 million in funding for City of Buffalo projects and \$4.9 million for Buffalo Public Schools projects.

In recommending individual expenditures, my administration has thoroughly reviewed the recommendations of the Citizens Planning Council (CPC). My administration is greatly appreciative of the difficult task performed by the CPC in evaluating more than \$78 million in requests. As evidenced by the attached budget, I have adhered closely to the recommendations of the CPC.

My recommended Capital Budget contains a wide variety of capital improvement projects with more than \$2.89 million in funding for City Parks including the Olmsted Parks and historic Broderick Park. This funding is necessary given the County of Erie's decision to return management of the parks to the City of Buffalo. The remainder of the City's \$22.4 million in capital funding is highlighted by:

• Citywide Infrastructure – Repair/Replacement	\$5,146,561
• Buffalo Public Schools	\$4,900,000
• Emergency Demolitions	\$2,686,022
• City-wide Tree Removal & Planting	\$1,605,000
• Buffalo Fire Department Fire Apparatus	\$1,465,900
• Buffalo Police Department Prisoner Lock-up	\$1,405,000
• Cultural Institutions	\$1,235,420
• City-wide Community Centers (HVAC, Mechanical, Electrical, Roof Repairs)	\$561,750
• Building Needs Assessment	\$535,000
• Broadway Market	\$347,750
• Downtown Ball Park (Coca-Cola Field) Improvements	\$188,320
